Chilly Open Reimagined

By Lawrence C. Jenkins
My Fellow Sunrise Rotarians

The 25th edition of the Chilly Open, Westerville Sunrise Rotary's Signature Event, is here. This year's anniversary celebration will be a little different than the past. This year's event will be a web broadcast production (think of it as the Chilly Open Telethon) that will be a mix of entertainment, engagement, and selling our mission to support the fight against Childhood Hunger. Hopefully you were able to join Wednesday's virtual meeting to hear the details, but if not, please stay tuned for more details to come and know that WE STILL NEED YOUR SUPPORT!!

The good news is that with everyone tuning in virtually we will not have the multiple days of setup or the need for everyone to be a "day of" volunteer. Everyone will get to sit back and enjoy the show!!
So what we do need is for every member to help bring value to the event and help raise as much \$\$ as possible for our two beneficiaries, Children's Hunger Alliance & WARM, and our Rotary programs!

Here is what you can do to help:

1. Be a Sponsor We are still running the option for \$200 of a sponsorship of \$500 or more to go toward your annual Rotary Foundation Giving so a true

Win-Win (Rotarian Sponsor Form Attached)

2. Recruit a sponsor ♦ All for a good cause and with a virtual event we will be able to give recognition up close and personal (Regular Sponsor Form Attached)
3. Secure Items for the Silent Auction ♦ our auction will obviously run online and will be open for several days. This will drive additional exposure for our event and our sponsors and is the single best way to raise funds that directly benefit the effort. There is no such thing as a bad auction item. It can either be sold alone or grouped into a basket of items to increase its value. Items can be dropped off at Dennis Blair ♦s office and if you have any questions about the auction, please reach out to the auction committee (Jim Davis, Linda Bokros & Julie Colley)
4. Donate a Bottle (unopened) for the Raffle ♦ our raffle will be run through the online auction platform and the effort will be to ♦stock the bar♦. Donations of wine or alcohol can be grouped into a big value package. If we get enough bottles there may be more than one option from General Stock the Bar to a Bourbon Collectors package. Again drop items at Dennis Blair ♦s office (I promise he will not drink it)
5. Sell Enhanced Ticket Packages ♦ we are creating a special package to help people feel engaged with the virtual program and that will bring a little extra value. Anticipated cost will be \$20 per package and these will be delivered (with your help) to people ♦s doorsteps the day before the event. More details on the Enhanced Ticket Package will be shared at the January 6th Club meeting so please don ♦t miss it!!

I know this all feels different but know that this Will Be a great Westerville Sunrise event unlike any other. To make sure we can successfully support our beneficiaries and continue all our Club programs, it is crucial that we get support from every member. If you have sponsorship questions please reach out to Mike MacKay or myself and we will be happy to help. If you have other questions about the event, reach out to the Chilly Open committee for more information and be sure to tune into future meetings for more information.

This Club is great and there is nothing we can ♦ do when we are all behind the effort. Thanks for everyone ♦s hard work and support!!

- Making a Difference

By Donna H. Rudderow

Local Matters is our Making a Difference charity for January/February. Local Matters is working to improve the health of our communities by increasing access to healthy foods, and providing education to at-risk families about how to prepare those foods in a way that is healthy and affordable. The items on our Amazon wishlist will be provided to our participants in our virtual education programs -- including groups of patients/families from Nationwide Children's Hospital, Columbus Urban League, and I am My Brother's Keeper -- to help them prepare healthy meals at home. We have a long history providing food education in our community and we know that one of the biggest barriers to low-income families cooking at home is not having the basic kitchen equipment to do it efficiently and safely.

Thanks to all who have purchased items on the Amazon wishlist. It's not too late if you'd like to participate. The link is
