## Your Help Needed for the Virtual Chilly Open February 20

By Lawrence C. Jenkins

- 1. Be a Sponsor** ♦ We are still running the option for \$200 of a sponsorship of \$500 or more to go toward your annual Rotary Foundation Giving so a true Win-Win (Rotarian Sponsor Form Attached)
- 2. Recruit a sponsor** ♦ All for a good cause and with a virtual event we will be able to give recognition up close and personal (Regular Sponsor Form Attached)
- 3. Secure Items for the Silent Auction** ♦ our auction will obviously run online and will be open for several days. This will drive additional exposure for our event and our sponsors and is the single best way to raise funds that directly benefit the effort. There is no such thing as a bad auction item. It can either be sold alone or grouped into a basket of items to increase its value. Items can be dropped off at Dennis Blair ♦s office and if you have any questions about the auction, please reach out to the auction committee (Jim Davis, Linda Bokros & Julie Colley)
- 4. Donate a Bottle (unopened) for the Raffle** ♦ our raffle will be run through the online auction platform and the effort will be to ♦stock the bar ♦. Donations of wine or alcohol can be grouped into a big value package. If we get enough bottles there may be more than one option from General Stock the Bar to a Bourbon Collectors package. Again drop items at Dennis Blair ♦s office (I promise he will not drink it)
- 5. Sell Enhanced Ticket Packages** ♦ we are creating a special package to help people feel engaged with the virtual program and that will bring a little extra value. Cost will be \$25 per package and these will be delivered (with your help) to people ♦s doorsteps the day before the event.

## Making a Difference

By Donna H. Rudderow

Local Matters is our Making a Difference charity for January/February. Local Matters is working to improve the health of our communities by increasing access to healthy foods, and providing education to at-risk families about how to prepare those foods in a way that is healthy and affordable. The items on our Amazon wishlist will be provided to our participants in our virtual education programs -- including groups of patients/families from Nationwide Children's Hospital, Columbus Urban League, and I am My Brother's Keeper -- to help them prepare healthy meals at home. We have a long history providing food education in our community and we know that one of the biggest barriers to low-income families cooking at home is not having the basic kitchen equipment to do it efficiently and safely.

Thanks to all who have purchased items on the Amazon wishlist. It's not too late if you'd like to participate. The link is
