## Membership and New Club Development

Welcome to August my fellow Change Makers, the month that Rotary International as themed Membership and New Club Development month. As I am sure you have heard by now, our Rotary International President, Shekhar Mehta, has a Big Dream. His dream is to grow Rotary from 1.2 to 1.3 million members by July of 2022. He dreams of us growing more so that we can do more. Just imagine what our world and communities would be like if there were more Rotarians doing good things and making a difference. RI President Shekhar says that all of us share the responsibility of growing Rotary. That is why he has asked us all to consider introducing those we know to Rotary in an initiative he is calling **Each One Bring One!** Shekhar is asking each one of us to consider our circle of friends, acquaintances, business associates and even our family members as potential Rotarians. He is asking each of us to bring this person or persons to a service project, social or to a meeting. Share with them the projects your club is doing locally and the difference Rotarians are making in your community and worldwide. Tell them your Rotary story and share why you became a Rotarian and why you stay.

To help with this initiative, your talented, amazing and fashionable District Membership Team (pictured below) have put together a program to recognize those members who participate in the Each One Bring One campaign. For each person you introduce to Rotary, your Membership Chair (or other appointed Rotary Club member) will report your name to Matt Wideman, Each One Bring One Coordinator. Matt will then put you into a drawing for a \$75 cash prize which, if you are selected, will be donated to your (or your quest's) favorite charity.

So, I invite all Rotarians throughout the District to be a part of history. Share the gift of Rotary with all that you know. Let us all dream big and grow more so that we can do more! Let Each One Bring One...  
 It's good for you, it's good for them, it's good for Rotary and it's good for the world!
