The Fuel That Drives Our Mission

Happy New Year my fellow Change Makers! This is my favorite time of the year. Not only because of the holidays and the opportunity to take a breath and spend time with family and friends. But it's my favorite time of the year because we get to take stock of all that we have accomplished this past year. The goals reached; the milestones made. And, it is also a great time to take a look at those things that we have yet to accomplish and to re-set our goals and convictions.

District 6690 has much to be proud of over these first six months of the Rotary year. Despite COVID and all of its variants, you continue to adapt and engage with your fellow club members. You are forever moving forward so that you can perform those meaningful service projects that mean so much to your communities. You have embraced the **Each One Bring One** initiative with 31 clubs participating and introducing over 200 people to Rotary. You have made giving to **our** Rotary Foundation a priority with contributions surpassing those made during this same time last year. **Woo Hoo!** But we have big dreams, so there is still work to be done.

I have shared that we would like to see 1500 Rotarians become 125 Club members this year. And, as I have traveled the District several of you have mentioned how complicated it is to make those two contributions (\$100 to the Annual Fund and \$25 to Polio Plus). Well, I am excited to announce that we have now made it easier than ever for you to make your contribution. The district has partnered with **Give Butter**, an alternative virtual fundraising platform. Now, all you have to do is visit https://givebutter.com/125_club to make your contributions. A one stop shop! So, if you have yet to make your contribution, I encourage you to do that now!!

I mentioned above that we are ahead of last year with our Annual Fund giving (Thank You Rotarians!). However, we are lagging a bit in our contributions to Polio Plus. So, if \$125 is not in the budget, I ask you to consider making the \$25 contribution to Polio Plus. If every Rotarian in our District gave just \$25 to the Polio Plus campaign, we would be able to donate over \$81,000 towards the eradication efforts! And, with the 2 to 1 match by the Bill and Melinda Gates Foundation, our District alone would contribute over \$243,000 this year towards this very important effort. It's our promise to the children of the world that we will eradicate this devastating disease. So please consider making your contribution today!

I am so grateful to all of you for making the first half of this Rotary year amazing. I am excited to see all that we will accomplish in 2022! I wish each and every one a safe and Happy New Year. And remember, as you enter into this new year, let's Dream Big, share your Rotary story and let's do good in the world! Let us all Serve To Change Lives!

Now in its Sixth Year, Please “join” the

125 CLUB

- When you receive your District 6690 125 Club pin, **WEAR IT PROUDLY!**
