### HAPPY BUCKET:

Paul Nestor passed around the happy bucket.

### SARGE:

Brent "The Intimidator" Mirgon asked trivia about the origins of Rotary.

### PROGRAM:

In honor of Membership Month, there were three additional vocational talks, this time from long-time members:

Randy Wharton was born in Alabama but traveled a lot since his dad was a minister. He disliked the Gulf Coast, so he moved to Houston, Texas and became a police officer. After doing that for a few years, Randy joined the Air Force and moved back to Mississippi for a time. Eventually he earned a degree in nuclear engineering and taught electronics, which ultimately led to a career in academia, and ultimately, to Zanesville. He was the Dean of the Business and Engineering School at Zane State before retiring a few years ago. Retirement is everything it's cracked up to be and more. Randy has his pilot's license and hopes to trade his motorcycle for an airplane in the very near future.

Larissa Harper is a lifelong Muskingum County resident. She is the youngest of 9 children. Her family was very involved in sports and athletics. Being the youngest motivated her to want to become a leader. She went to school at OU Zanesville and

then ultimately transferred to OU Athens where she earned a degrees in psychology, english, and higher education. She's been in the higher education field for 25+ years. Larissa is excited about a personal side project of hers, which is a soon to be published book on the history of Mosaic Tile. Larissa is also excited about the revival of the Zane Trace Commemoration, currently scheduled for July 17-19, 2022.

Pete Hamilton is the younger brother of fellow Rotarian Gary Hamilton. Pete's real name

is Gregory, but no one calls him that. Instead, he's known as Pete after his Danish grandfather Axel Peterson. He's been married to Past President Corey for 37 years and the two have three daughters. Pete recently retired from a long career as a pharmacist at what's now known as Genesis Hospital. He went to pharmacy school at Ohio State and then got his first job at the former Good Samaritan Hospital. Fellow pharmacist Max Factor was a big influence in getting him to join Rotary years ago. Pete is proud of his role in starting a specialty pharmacy program at Genesis, which helps make expensive specialty medications for certain chronic diseases more accessible and affordable.

## HALF & HALF:

\$60 was collected. Gary Hamilton won the \$15 half & half. Gary is a penny richer. The grand pot prize stands at \$814.

## QUOTE OF THE WEEK:

"I hated every minute of training, but I said, 'Don't quit. Suffer now and live the rest of your life as a champion.'" - Muhammad Ali
