PROGRAM:

Ben Hess, Executive Vice-President of Mattingly's, told us about his family business and how it has evolved since 1947. Ben is married with three children. His other brother, Andy, and youngest brother, Brandon, also work in the business along with mother, Barbara Callahan. His grandfather and grandmother,

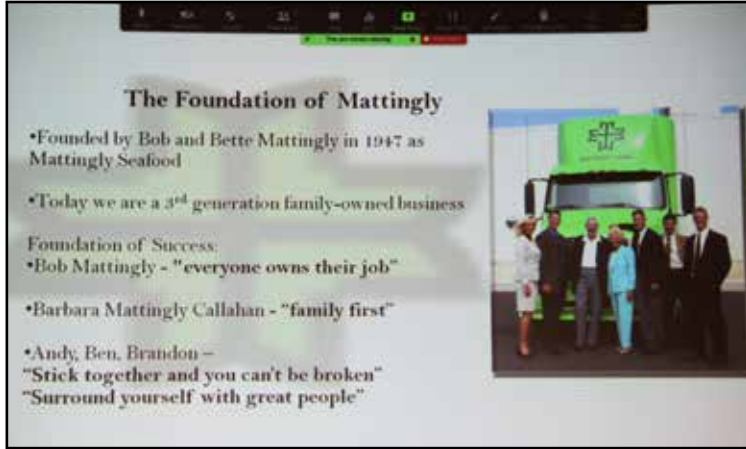

Bob and Bette Mattingly, started the business in 1947 after Bob returned from, WW II. They have stood by their principles of: Everyone owns their jobs, family first, stick together, and surround yourself with good people. This is still

HALF AND HALF WINNER AND AMOUNT:

President- Elect Keely won the half/ half and received \$17.00. She is a penny richer and the pot grew to \$915.00.

what they strive for everyday.

Throughout the years, Mattingly's prospered and grew. They formed a great connection with Bob Evans Restaurant, Steak 'n Shake, Boston Market, and 55 Wendy's stores. Through those years they expanded and grew. In 2008 things started moving downhill. During those years they lost most of their restaurant service. In 2011 they hired Rusty Denton as CFO and business flourished.

They started many new companies and added lots of hard work. Today they have 98 employees and own: ABB Leasing, 45 Logistics, Mattingly Enterprises, Mattingly Lawn Service, and Shai Hess Commercial Real Estate, LLC.

It was noted from President-Elect Keely that during last year's crises, Mattingly's stored 2.2 million dollars of food for the Farm to Family program giving food to the many who couldn't get out because of Covid-19 and those without good resources. Thank you Mattingly's.
