

Daybreak Rotary – October 22, 2020

In a break from the normal routine, we were joined on the Zoom call by the Newark-Heath Rotary Club.

Mr. David Uhl, District 6690 Polio Plus Chairman, brought us a fantastic presentation on Rotary's efforts to eradicate Polio. He started out with a video that outlined the "why" behind the effort. Rotary has been involved in this mission for over 30 years now.

Some of the other highlights of his presentation included:

- Polio could join Small Pox as the 2nd human disease to ever be eradicated
- Polio is a paralyzing and potential deadly disease that invades the nervous system and can paralyze the person in a matter of hours
- The Plus in Polio Plus includes efforts to prevent other diseases, provide clean water and other sanitation items, as well as providing other medical and humanitarian aid
- The Bill & Melinda Gates Foundation will provide a 2-1 match for funds raised by Rotary. The caveat is that Rotary needs to raise \$50,000,000 to get the match. Last year (2019) Rotary raised \$50,700,000. Therefore \$150,700,000 was contributed towards the eradication of polio worldwide. Amazing!
- 1,500,000 Rotarians have participated in the efforts since Rotary got involved.
- \$2,100,000,000 (that's 2.1 billion with a B) has been raised over the 30 years, including contributions for 122 countries
- In 2019 400 million children worldwide were vaccinated
- On 8/29/19 Nigeria and the entire African region was declared "Wild Polio Virus Free" by the WHO. To get that designation the area has to have no cases for 3 years.

Nigeria and entire African Region
Declared Wild Polio Virus Free

- There are still 2 areas of concern. Afghanistan (52 cases) and Pakistan (77 cases). Political unrest as well as the nature of the terrain of these countries are contributing factors.

- Rotary's Polio Global Eradication Initiative put together a plan to end polio in 5 years. That plan was set to start in 2019, however due to Covid-19 that will be pushed out a couple of years. They estimate that \$800 million - \$1.1 billion will be needed to finish the job!

WORLD POLIO DAY
IS 24 OCTOBER endpolio.org #endpolio

Last year District 6690 raised +/- \$115,000. Mr. Uhl closed with the confirmation that we are still "this" close to completing the job!!

Once his presentation was over, the Newark-Heath club dropped off the call and President Corey continued our regular meeting and we recited the Pledge of Allegiance.

Jenny Masterson reminded us of the upcoming Big Brothers Big Sisters virtual auction and Reverse Raffle. She also announced that she will be retiring and Katie McNeil will be the new Executive Director of BBBS-Zanesville.

Keely has some postcards "We are all in this together" that she plans to have signed and sent out to area seniors and shut-ins. If you would like to help out, she has them in bands of 25 at Christ's Table.

HAPPY BUCKET

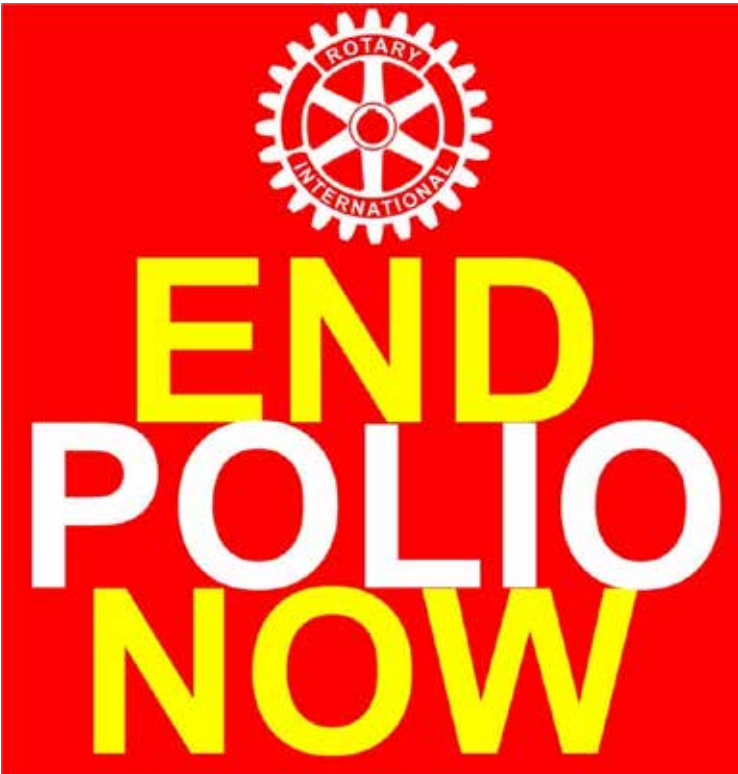

Bruce, our Polio Plus representative, started out the Happy Bucket, in honor of World Polio Day this coming Saturday, with a check for \$500 from his church. Herb Hicks donated \$81, in honor of his 81st birthday, AJ matched Bruce's \$500 celebrating family birthdays and other accomplishments. Then the floodgates opened. Donations came in verbally as well as in the Zoom chat. Many Rotarians pledging \$125, (\$100 for Rotary International, and \$25 for Polio Plus). A rough total of \$1,700 was raised today in recognition of World Polio Day. That, combined with the Gates Foundation match will put over \$5,000 to work in Rotary's efforts to end Polio once and for all. We are truly "this" close!

Quote of the Day: "Whatever Rotary may mean to us, to the world it will be known by the results it achieves." Rotary's founder Paul Harris

50/50.
No 50/50 today

Reminder that there is no meeting this Thursday (10/30). Feel free to use the project day to fill out some cards for Keely.

President Corey then adjourned the meeting by reciting the Four Way Test.

INVOCATION –
Chad Tyson

GREETERS –
The Fabulous Baker Boys, Doug and Jamey.

ANNOUNCEMENTS:
We are signed up for the Salvation Army Red Kettle project. Our slot is 10a-5p on 12/5/20. If you would like to sign up for a shift, please let Keely know.

Dear Partners,

We are thankful for you and your heart for Haiti. Eline and I have been traveling between Peredo and Port-au-Prince assessing damage from Tropical Storm Laura and seeing how best we can meet the needs of our communities.

I was blessed to travel and visit many of our Emmanuel Christian Church pastors just before the storm hit. I am pleased to report we have had 48 baptisms so far this year throughout our eight churches. All churches in Haiti were shut down for four months but that has not stopped the Word of God from being proclaimed or the hearts of the people from responding. God is so good to us!

We praise God for all the progress that has been made on Phase III construction of the Surgical Center. All interior and exterior walls have been completed. We look forward to providing more care for patients when this 22-bed long-term care facility is completed.

We were blessed to recently add dental work to the many areas of medical care offered at Peredo Community Hospital. Dr. Jean Ovly Marcelin has already seen more than 70 patients since July. We have also performed more than 300 surgeries this year and have had more than 5,000 patient consultations. God has truly blessed us with this amazing resource to our surrounding communities. We have seen not only healing and hope but also restoration and opportunities to share the Gospel.

We cannot thank you enough for partnering with Haitian Christian Outreach to do something in Haiti that will last.

To God be the Glory!
