Our Guest Speaker on September 21 was **Jay Hash**, CEO of Hopesource.

Jay was born & raised in West Virginia; graduated from Ripley High School, attended WVU before transferring to Shawnee State where he received his BA in social science. Upon graduation from SSU, worked for the Ohio center for youth development and then worked at Shawnee Family Health Center in Lawrence & Scioto counties.

He went on to earn a master's degree in counseling from Ohio University and became a licensed counselor in 1997. Jay then joined the Counseling Center as a program director, with subsequent roles as clinical director and associate executive director.

In 2015 he started a small, private practice which grew into what is now Hopesource, a mental health and substance use disorder treatment provider which now employs more than 45 Scioto County and northern Kentucky residents.

Jay (a Kiwanian!) has been married to Rotarian Sonie for 25 years. They have two children, Truman & Clara.

Past-President Steve Rader presented Mark Hunter with a sponsorship check of \$1000 at the September 13 club meeting. Rotary of Portsmouth is a proud annual sponsor of the Steven A. Hunter Hope Fun Tennis Tournament, which was held September 11-12, 2021 jointly at the Steven A. Hunter Tennis at the Clark Athletic Complex of Portsmouth City Schools and the Dr. William E. Daehler Tennis Center at Shawnee State University.

Each Friday during the school year, students enrolled in Steven's Power Pack Club receive packs of food, known as Power Packs, to ensure they have something to eat on weekends.

Portsmouth Rotary Club is a proud supporter of the 2021 Walk for Life, sponsored by the Cradle Pregnancy Care Center. The walk took place on September 11. Past-President Steve Rader presented Bridget Cook of Cradle with a check for \$250 at the September 13 weekly club meeting.

GPEI Statement on Afghanistan - 19 August 2021

The Global Polio Eradication Initiative (GPEI) is closely monitoring developments in Afghanistan. GPEI partners and staff are currently assessing immediate disruptions to polio eradication efforts and the delivery of other essential health services, to ensure continuity of surveillance and immunization activities while prioritizing the

safety and security of staff and frontline health workers in the country.

The polio programme in Afghanistan has operated for many years amid insecurity and conflict, and will continue working with all actors, agencies and organizations who enable delivery of immunization as well as deliver humanitarian assistance to populations in need across the country. The GPEI remains steadfastly committed to protecting all children from polio and supporting the provision of other essential immunizations and health services.

We strongly believe that the delivery of health care including polio vaccination is essential to prevent diseases and safeguard communities. Together with our partners, the people of Afghanistan, national and provincial authorities, we will do everything in our power to continue this critical work.
