A new Rotary International area of focus is supporting the environment. At the January 14th Rotary meeting, President Julie Schmidt presented Henry Heuser, founder of TreesLouisville a \$1500 grant in support of their significant work to protect and expand Louisville's urban forest, improve air quality, moderate temperatures and much more.

Rotary Club of Louisville's Community Impact Committee

The purpose of the Community Impact Committee (CIC) is to identify issues in the Louisville community and develop plans which will help facilitate solutions to these issues. Earlier this year, the CIC engaged in issues related to racism, equity and justice, following the tragic Breonna Taylor shootings and the civil unrest which followed. The CIC, which has six subcommittees actively developing plans to improve these three areas, announced the approval of its first four initiatives:

What is the Rotary Foundation?

The Rotary Foundation is the charitable arm of Rotary International, the gas (or electricity) that makes our large projects go. Past Rotary International President Paolo Costa (1990-91) called it RI's masterpiece, saying, "It transforms our dreams into splendid realities... a generosity that brings help and cooperation to solve the problems that affect mankind." **Thank you for supporting the Rotary Foundation and its work!** To learn more about the Rotary Foundation, click [HERE](#).
