

FRANKLIN ROTARY AT BREAKFAST

Volume 109 Issue 28
July 17, 2019

Thought for the week: ““I don't look to jump over seven-foot bars. I look for one-foot bars that I can step over.”--Warren Buffet

Program Chair for July: Steve Lewis

Today's Program: Jaclyn Mothupi - TN Dept of Environment & Conservation

Jaclyn is a community problem solver with skills forged by 10+ years of service in leadership roles within the NGO and government sector. With technical expertise and excellent communication skills, she's both the idealist to dream it and the pragmatist to get it done.

Mothupi has expertise in corporate social responsibility, energy, conflict management and community affairs. She has developed a strong reputation for process improvement—from concept to implementation. Jaclyn is highly adept at working with all levels of an organization to forge the right relationships and convene the right people to execute any task at hand.

At Tennessee Department of Environment and Conservation (TDEC) she serves as the Nashville Regional Director of External Affairs and is the primary point of contact for external stakeholders for environmental concerns in Middle Tennessee, a thirteen (13) county region. In this role, she actively works with local and state officials; business and industry; the general public; community development representatives; and environmental groups. Mothupi often collaborates with TDEC's Office of Communication and senior leadership to strategize public responses to inquiries regarding complex environmental issues. She also serves as a key representative for coordinating and facilitating public meetings, regulatory hearings, information sessions, and community engagement opportunities to ensure TDEC is inclusive while meeting its mission.

Jaclyn has an undergraduate in design and architecture, with a masters in sustainable practices and a graduate certificate in conflict management. In 2017 she received the 40 under 40 Award from the Nashville Business Journal. The year prior, she was honored with a Nashville Emerging Leaders Award in the Sustainability Category by the Nashville Area Chamber of Commerce.

Jaclyn grew up in Minnesota navigating the Boundary Waters by compass and canoe; there she developed a deep appreciation for nature's sophisticated ecosystems. Today she resides in Nashville with her husband, two young sons and beloved rescue pitbull, Moxie.

Jaclyn loves what she does and does it with grace, grit, and an unstoppable drive for growth.

Club Insight

We are off and running with our new Rotary year! Thank you for your support in trusting me to serve as the President for the 2019-2020 year. I enjoyed my first week as President...starting with the Installation Banquet meeting last Wednesday and finishing with the "Mexican themed" party at my house on Saturday night. Thanks to all those who helped prepare for the event and a special thanks to Kyla King for the incredible decorations at the Mexican party!

During the Installation Banquet meeting, we discussed the importance of service above self and I want to congratulate our Co-Rookies of the Year (Kyla King and David Butler) and our Rotarian of the Year (Sharon Stewart). These members have truly modeled what being an "active" Rotarian means. The Installation Banquet meeting also highlighted our areas of focus for the upcoming year:

1. Membership: Attract, Retain & Engage!
2. Brand Our Rotary Club (Marketing Efforts – Internally and Externally)
3. Partner with Neighboring Rotary Clubs
4. 100% Participation in the Golf Tournament

I am energized by the what lies ahead for the upcoming year and look forward to partnering with all of you!

I am going on a vacation to Turks and Caicos this week but will see you all on July 24th.

Have a great meeting!

EXPECTATIONS OF ALL MEMBERS:

Participate – Members are expected to remain in good standing by

- attending weekly Wednesday meetings*,
- attending fellowship events (ie: Rotary after Hours),
- volunteering for service opportunities (ie: food distribution, dictionary delivery, 4-H judging),
- accepting committee assignments,
- and, when possible, attending District 6760 events.

*Members may, at their discretion, choose to occasionally attend another club's meeting and submit proof of attendance to the secretary of the Franklin Rotary at Breakfast to maintain their attendance.

Our club guidelines state that each member is expected to participate in an average of two Rotary activities (attending meetings or other activities as noted above) per month over each six-month period. There are exceptional situations (for example, R-85) where this does not apply. If you need more information, please contact a member of the membership committee or the board for clarification.

Fiscal Responsibility – Members are expected to pay Rotary fees on time and in full the 1st of the month. Rotary dues are essential to maintain the livelihood of the club.

Contribute – All members are asked to contribute to the Franklin Breakfast at Rotary's annual golf tournament by (1 or more of the following; Columbus Day Monday at Vanderbilt Legends CC)

- soliciting hole sponsorships
- soliciting major sponsors
- forming a team of 4
- bringing refreshments on the day of the tournament

To reach our goal for last year, we raised an average of \$1,300 per member. We hope to exceed that number each year.
