

FRANKLIN ROTARY AT BREAKFAST

Volume 109 Issue 30
July 31, 2019

Thought for the week: A life spent making mistakes is not only more honorable but more useful than a life spent doing nothing.”

TODAY’S PROGRAM:

Today’s Program: Mike Keith, Voice of the Titans

Mike Keith has done play-by-play announcing on radio and television for a variety of sports on a variety of levels in a career that is now in its fourth decade. He’s called junior pro, high school, college, Arena and NFL football. He’s called high school and college men’s and women’s basketball. He’s called high school, college and professional baseball and high school wrestling. He even did play-by-play for the 1995 National Indoor Paintball Championships!

But calling one play on a rainy Saturday in Nashville made him famous.

On January 8, 2000, Mike called one of the greatest plays in NFL history, “The Music City Miracle”, a last-second touchdown that gav the Tennessee Titans an improbable playoff win over the Buffalo Bills. ESPN named Titans Radio’s description of the play as one of the 10 best radio calls in American sports history.

After starting in 1999 as one of the youngest announcers in the NFL, Mike Keith is now one of the league’s longest-tenured play-by-play announcers.

In addition to his play-by-play duties, Mike hosts multiple Titans Radio shows, the Mike Vrabel Show and Titans All Access television programs, and The Official Titans Podcast (The OTP).

Mike also calls Tennessee state high school championship events as part of the Titans’ relationship with the TSSAA, hosts shows on Sirius XM NFL Radio and has done play-by-play work for ESPN and the SEC Network.

Prior to his time with the Tennessee Titans, Mike worked for the legendary John Ward with the Vol Radio Network from 1987-98. He also hosted one of Tennessee’s first daily sports talk shows from 1989-98 on WIVK-AM in Knoxville and covered University of Tennessee sports for WIVK-FM and WBIR-TV. Keith is married to his wife Michelle and has two children, Abby and Matthew.

Drugs

A couple lived near the ocean and used to walk the beach a lot.

One summer they noticed a girl who was at the beach almost every day.

She wasn't unusual, nor was the travel bag she carried, except for one thing; she would approach people who were sitting on the beach, glance around and then speak to them.

Generally, the people would respond negatively, and she would wander off. But occasionally someone would nod and there would be a quick exchange of money and something that she carried in her bag.

The couple assumed that she was selling drugs and debated calling the cops, but since they didn't know for sure, they decided to just continue watching her.

After a couple of weeks, the wife said, 'Honey, have you ever noticed that she only goes up to people with boom boxes and other electronic devices?' He hadn't and said so.

Then she said, 'Tomorrow i want you to get a towel and our big radio and go lie out on the beach, then we can find out what she's really doing.'

Well, the plan went off without a hitch and the wife was almost hopping up and down with anticipation when she saw the girl talk to her husband and then leave.

The man then walked up the beach and met his wife at the road.

'Well, is she selling drugs?' she asked excitedly.

'No, she's not,' he said, enjoying this probably more than he should have.

'Well, what is it then? what does she do?' his wife fairly shrieked. the man grinned and said, 'she's a battery salesperson. 'Batteries?' cried the wife. 'Yes!' he replied.

"She sells C shells by the Seashore."
