Our “Rotary After Hours” for August will be a family event on Saturday, August 17th, at the Northam’s Home, 104 Breckenridge. An old-fashioned backyard picnic. So, kids of all ages are invited. We’ll have swimming for those who want to indulge, cool areas for those who want to be outside, but want to stay dry and cooler areas for those who want to stay inside. We also have ping pong and croquet for those who want to play. (Possibly badminton, too). Dinner will be Hot Dogs and extras. We’ll start about 4pm. Dinner served around 5:30. Please feel free to bring sides or appetizers if you’d like.

Some of our members have some great homemade ice cream recipes. Let Dottie know if you’re able to bring yours for dessert that evening.

Dottie will have a sign up sheet this week and next week so we can have an idea of who will attend.

Music and Convergent Thinking

According to an article on the *Pacific Standard* website, reporting on research conducted by psychologists at the University of Central Lancashire in England, listening to music may help you relax, but apparently it can impair your creativity.

In several studies, participants were given three words, such as “dress”, “dial” and “flower”, and asked to come up with a fourth word that paired naturally with each. For example, “sun” compliments each of those words. Thirty university students did the exercise while listening to a pop song that had been translated into Spanish while the others performed in silence. The group working without music solved significantly more problems. In a similar experiment, subjects listened to instrumental music or nothing at all. Again, those working without music performed better.

The study appears to contradict the results of an earlier experiment, in which fast-paced, uplifting classical music like Vivaldi’s “The Four Seasons” appeared to enhance divergent thinking—the ability to come up with new concepts or hybrid ideas. That study, however, found no musical effect on *convergent* thinking, or the ability to narrow down ideas until finding one that works—an important part of the creative process.

Consider putting your headphones away to stimulate creative thinking when looking for innovative ideas.

EXPECTATIONS OF ALL MEMBERS:

Participate – Members are expected to remain in good standing by

- attending weekly Wednesday meetings*,
- attending fellowship events (ie: Rotary after Hours),
- volunteering for service opportunities (ie: food distribution, dictionary delivery, 4-H judging),
- accepting committee assignments,
- and, when possible, attending District 6760 events.

*Members may, at their discretion, choose to occasionally attend another club's meeting and submit proof of attendance to the secretary of the Franklin Rotary at Breakfast to maintain their attendance.

Our club guidelines state that each member is expected to participate in an average of two Rotary activities (attending meetings or other activities as noted above) per month over each six-month period. There are exceptional situations (for example, R-85) where this does not apply. If you need more information, please contact a member of the membership committee or the board for clarification.

Fiscal Responsibility – Members are expected to pay Rotary fees on time and in full the 1st of the month. Rotary dues are essential to maintain the livelihood of the club.

Contribute – All members are asked to contribute to the Franklin Breakfast at Rotary's annual golf tournament by (1 or more of the following; Columbus Day Monday at Vanderbilt Legends CC)

- soliciting hole sponsorships
- soliciting major sponsors
- forming a team of 4
- bringing refreshments on the day of the tournament

To reach our goal for last year, we raised an average of \$1,300 per member. We hope to exceed that number each year.
