We’ll have swimming for those who want to indulge, cool areas for those who want to be outside, but want to stay dry and cooler areas for those who want to stay inside. We also have ping pong and croquet for those who want to play. (Possibly badminton, too). Dinner will be Hot Dogs and extras. We’ll start about 4pm. Dinner served around 5:30. Please feel free to bring sides or appetizers if you’d like.

Some of our members have some great homemade ice cream recipes. Let Dottie know if you’re able to bring yours for dessert that evening.

Dottie will have a sign up sheet this week and next week so we can have an idea of who will attend.

## The Seeds Of Friendship

Ava was newly married. She and her husband had just moved into their first home and she had decided to plant a garden like the one her Grandma had planted years ago in the house where she grew up. All her life, she'd been the one to help take care of that garden and she was excited to keep the tradition alive in memory of her Grandma.

As part of the garden, Ava planted a little tree at the base of a stone wall in the corner of her garden and spent the entire summer coaxing the seedling into growth. Finally, the baby tree began sprouting green leafy vines that climbed the wall, but to her disappointment, no flowers bloomed.

One morning Ava stood in her garden and wondered whether she should just dig up the tree and start over with something new to bring some life to the dark corner.

Then, she heard a voice from over the wall. "Yoo-hoo! I just wanted to thank you for the beautiful flowers!"

Confused, Ava went next door. Her neighbor, an elderly woman, opened the garden gate and showed her into the backyard.

To her surprise, the young woman saw that her tree had not only bloomed but had also sprouted flowers all along the vines that had crept over the wall into her neighbor's yard.

Her work gave her neighbor so much pleasure that Ava decided never to cut the tree down. She realized that what she had really planted were the seeds of friendship.

## EXPECTATIONS OF ALL MEMBERS:

**Participate** – Members are expected to remain in good standing by

- attending weekly Wednesday meetings\*,
- attending fellowship events (ie: Rotary after Hours),
- volunteering for service opportunities (ie: food distribution, dictionary delivery, 4-H judging),
- accepting committee assignments,
- and, when possible, attending District 6760 events.

\*Members may, at their discretion, choose to occasionally attend another club's meeting and submit proof of attendance to the secretary of the Franklin Rotary at Breakfast to maintain their attendance.

Our club guidelines state that each member is expected to participate in an average of two Rotary activities (attending meetings or other activities as noted above) per month over each six-month period. There are exceptional situations (for example, R-85) where this does not apply. If you need more information, please contact a member of the membership committee or the board for clarification.

**Fiscal Responsibility** – Members are expected to pay Rotary fees on time and in full the 1<sup>st</sup> of the month. Rotary dues are essential to maintain the livelihood of the club.

**Contribute** – All members are asked to contribute to the Franklin Breakfast at Rotary's annual golf tournament by (1 or more of the following; Columbus Day Monday at Vanderbilt Legends CC)

- soliciting hole sponsorships
- soliciting major sponsors
- forming a team of 4
- bringing refreshments on the day of the tournament

To reach our goal for last year, we raised an average of \$1,300 per member. We hope to exceed that number each year.
