## TN VALLEY WEATHER

This week fellow Rotarian Ben Luna, V.P. of Operations, Managing Meteorologist of TN Valley Weather will be visiting with us to talk about the weather. Ben, along with fellow meteorologists has put together a 24 hour, on air and online weather platform based out of Lawrence County providing the area with decades of combined experience in forecasting the weather for the southern middle Tennessee and north Alabama region. Join us on Thursday to learn more about Ben and the TN Valley Weather Channel! Maybe he will give us a special weather report for our Bicycle Parade planned for Saturday morning!

Last week we passed the gavel from Mark to Lisa, you may notice that I have updated the Club Info on the right of this page with the new information. Please help me to say thank you again to Mark for his service to the club and welcome Lisa to the role for the upcoming year!

From Mark's Desk: *As outgoing president I would like to say thanks to my 2020-2021 staff-- Amy Harris, Lisa Pardon, Eric Previti, Mark Turner, Marilyn Johnston, Jeremy Baker, Gerald Vick, Mike Short, Con Vrailas, Gaye Pike, DeWayne Colbaugh, Kara Williams, Suzanne Estes, and Corey Massey. Also, Special Thanks to Dr. Rufus Clifford, Terry Hendrickson, Theresa Bowen, Doug Burgess, and Jamie Saunders for all their support. It was a covid year and a hard year to be president, but we stood up to the challenge and made it through. I do hope that I have thanked all that made the year better for the club. I do see a lot of positive in the last year and was glad to be your president. I see good things to come in our future and I look forward to being a part of it all. Your friend in Rotary Mark Mayberry*

## 2021 "4<sup>TH</sup>" OF JULY

This Saturday Morning, we will be at Riverwalk Park for our 8<sup>th</sup> annual 4<sup>th</sup> of July celebration. George has gone all out to put together a great event again this year and he needs your help! Be sure that you make it out to the event and pitch in to help where it is needed. If you have not already signed up to help at the event, touch base with George to see what he needs, as a club of action, we need to stand behind him in his efforts to make this an outstanding annual event. Remember that this is the only event that we had last year and just as it always is it was well received in the community. I for one look forward to being a part of this event every year and I look forward to seeing you all out there on Saturday morning!

A promotional banner for the 3rd of July Parade. It features a blue background with a white bicycle on the left, two balloons (one red, one white) tied to the handlebars, and a stylized American flag in the upper left corner. The text "3rd of July" is in a red, cursive font, and "PARADE" is in large, white, bold, sans-serif capital letters. Below that, it says "Sat., July 3 • 9 to 11 a.m." and "ROTARY SHELTER @ RIVERWALK PARK" in white, sans-serif capital letters. At the bottom, it says "BIKES LINE UP BEGINNING AT 8:30 A.M." in white, sans-serif capital letters.

# MEDICAL MOBILE UNIT

PATRICK HARLAN & LORI BERGLAND

Last week Patrick and Lori provided an overview of the Maury Medical Mobile Unit Services. They discussed how providing food, beverages, and other essentials for its patrons is one of our upcoming service projects. They are blazing a trail to do great things in this community, and we are looking forward to doing what we can to help them as the progress!

## MCDOWELL BACKPACKS

2 weeks ago we picked up the shelving units from McDowell. Last night several members of the club met up at the Memorial Building after hours to move the shelves upstairs and put them together. We have made a good start in the storage room but now there needs to be some organization to make everything more accessible.

Eric is looking for volunteers to go back through the storage room and organize the supplies to more efficiently use the new shelving that we have there. This will help with access to the supplies as we move forward with your events that are upcoming this year.
