AT WORK

## HELPING HUMPHREYS FLOOD RELIEF PROJECT

Last Saturday Morning, the residents of Humphreys County experienced tragedy that most of us have never experienced (thankfully). Over the past day and a half several members of our club stepped up to provide needed supplies to the Lawrence County Rotary Club that will be distributed to those in need as they work to restore normalcy in Humphreys County. I wanted to thank every single one of you that took time to buy supplies and bring them to me to be delivered to LawCo, you really are a special group of individuals, I am proud to be a part of this club.
