Program—Ryan Egly—  
Lawrenceburg Chamber of Commerce

Pictured above: President Heath Hill, Lawrenceburg Chamber of Commerce Ryan Egly and Program Chair Ben Luna. According to Egly, mandated closures caused by the Covid-19 virus created a spike in county unemployment but that many of these jobs have already returned. He said that the county's Gross Domestic Product had been showing significant growth prior to the shutdown and that growth will likely resume once mandated closures are lifted. While the economic shutdown has had a significant effect on Lawrence county, the effect has been less severe than other counties in the South Central Region. Egly discussed positives for Lawrence County including good schools with a high graduation rate and many students going into post secondary education, a booming real estate market, and new chamber initiatives soon to be announced.

At the Board of Director's meeting July 13th, the Board voted on the following: A member may request a credit on their dues of \$25/month, up to 2 months totaling \$50, for reimbursement of meals for the two months the club did not hold meetings due to COVID-19. It is the member's responsibility, if they want the credit, to let John Beasley know (or by other means of directly contacting him) by August 31, 2020
