Picture above Rotarian Rachel Lee, Manager at Crockett State Park, President Elect Greg Kelso and Rachel's Daughter Loralei. The state park has been extremely busy during the past few months and the most desirable campsites are booked into July. Rachel opened her presentation by discussing the "Ten Essentials" for hiking, namely — Navigation, Light, Sun Protection, First Aid Kit, Fire Starter, Shelter, Extra Food, Extra Water, and Extra Clothes (especially socks). The most important item is a hiker's head and using it if he or she becomes lost or disoriented.

Lee then introduced her friend "Buttermilk", a corn snake that resides with others in the Park Office. She described characteristics of venomous versus non-venomous snakes including those who reside in our area. Copperheads and Timber Rattlers (mostly in southern Lawrence County) are the most common venomous snakes in our area.

If you find an error in attendance – Absent list, Make-Ups, or would like to know how you stand on attendance. – Please email<u>rclburgsec@charter.net</u> and I'll make the correction promptly.

Riley Green Will Perform At The Fair

The Lawrenceburg Rotary Club has announced that Riley Green will perform at the 2021 Middle Tennessee District Fair. This year's concert will be held on Friday, October 1 at 7:00 PM with special guest J. D. Shelburne.

According to MTDF Entertainment Chair Tiffany Cope: "Riley Green was set to perform at the 2020 Fair until the coronavirus forced the concert to be cancelled. We immediately began discussions on whether he would be willing to come back in 2021. His answer was an enthusiastic 'YES", and we are happy to have him at the fair in 2021. Riley's popularity has continued to rise in the last year and we are looking forward to a great show"!

Information on ticket sales and prices will be announced at a later date. The Middle Tennessee District Fair will run from September 27 through October 3, 2021 at Lawrenceburg Rotary Park.
