Weekly Update from the Rotary Club of Nashville

## **NO ROTARY MEETINGS MARCH 16, 23 & 30**

Rotarians: The Metro Public Health Department released guidelines today on hosting large meetings with expected attendance of 100 or more.

Out of an abundance of caution for the safety of our community, the Rotary Board of Directors has decided to cancel all Rotary meetings in March. We are closely monitoring the situation and hope to return to business as usual soon.

If you are signed up for a service project and need to change your plans to attend, please notify the Rotary office or modify your plans on Sign Up Genius at least two days prior to the event.

New Member Orientation, Rotary After Hours and a Wee Bit of Guinness will be postponed.

# DISASTER RELIEF

Special Update from the Rotary Club of Nashville

## AN UPDATE ON NASHVILLE ROTARY'S DISASTER RESPONSE:

### March 23-No Rotary Meeting

We will not hold a standard Rotary meeting on Monday, March 23. We are partnering with the Wildhorse team to deliver our Rotary meal to our neighbors in need in North Nashville. Details to come.

The need in Nashville is tremendous, but fortunately so is the willingness to help. Rotarians are community leaders looking to make an impact on our community through service.

1. We were awarded a \$15,000 Rotary International Disaster Relief grant. We will use these funds to support those affected by the tornado in North Nashville.
2. Thank you to the Rotarians and friends who packed nearly 1,000 food boxes at Second Harvest on March 9.
3. On March 23, in lieu of our normal Rotary meeting, we will deliver our Rotary meal to our neighbors in North Nashville. Thank you to the Wildhorse team for partnering in this service opportunity.
4. We collected needed items at Rotary on March 9 and delivered them to New Covenant Christian Church in North Nashville.

## NEW MISSION | SAME PURPOSE

When I became Club President, I pledged, personally to keep our board and committee work focused squarely on our mission. I found the current mission of the Rotary Club of Nashville to not be as dynamic as the current work and impact of our members. I invited the Board of Directors to help draft a new mission. At last week's board meeting, the board unanimously approved a new mission statement. I'm so pleased to announce a newly articulated mission for the Rotary Club of Nashville which better communicates our purpose. I hope it speaks, powerfully, to you. Now, with clarity of purpose, let us continue the good work started over a century ago.

**The mission of the Rotary Club of Nashville is to impact our community by providing forums for fellowship, understanding, and service among engaged leaders.**
