Butch Spyridon, President
Nashville Convention & Visitors

How Music City Keeps Scoring:
NFL Draft, NASCAR and More

Collaboration, Cooperation and Strategic Planning

Butch Spyridon has served as president and CEO of the Nashville Convention & Visitors Corp (NCVC) since 1991. Under his leadership, Nashville's hospitality industry has evolved into a year-round global destination for convention, business and leisure visitors. Hospitality is the city's second largest industry, attracting a record 15.2 million visitors in 2018 and generating \$6.5 billion in direct visitor spending. At the end of April, the city will host the NFL Draft, which is expected to be the largest event in Nashville and the state of Tennessee given the anticipated attendance of 100,000 per day over three days, coverage on three national networks and an estimated 1,000 credentialed media members. The Music City brand and an emphasis on hosting large events to attract visitors helped the city land the NFL Draft. For the first time, the football-centric event will include live music - and it's all free and open to the public.

IMPORTANT MEETING NOTICES – Due to several exciting events in Nashville the week of April 22 –29 (NFL Draft, St. Jude Rock n' Roll Marathon, and Stanley Cup Playoffs) we expect a more than usual traffic and parking issue.

April 22 – Rotary Members **WILL NOT be able to park in the Premier Parking surface lot at 2nd and Church.**

April 29 – We have CANCELLED that Rotary meeting. **We WILL NOT MEET on Monday, April 29.**

Why do business leaders join Rotary?

Because someone took the time to invite them!

To fulfill our mission, the Club has traditionally admitted into its membership only the leading business and civic persons in the community and it is our goal to continue that tradition. To maintain and strengthen the leadership quality and effectiveness of our Club, the Board of Directors considers these attributes essential for membership:

- One who is or was president, partner, or a corporate officer or manager in an executive position with discretionary authority of any worthy and recognized business or profession, or
- One who has demonstrated service and civic leadership in the community, or
- One who embraces Rotary's motto of "Service Above Self".

If you know a business professional or community leader that fits this criteria and would like to propose them for Rotary membership; submit the name, position, and company/firm information to the Rotary Office.

Celebrating 30+ Years of Women in Rotary

Saturday, April 13, 2019, 6:00 pm, Music City Center, 201 5th Avenue South

District Governor Laquita Stribling invites you to join us as we celebrate the achievements and contributions women in Rotary have made over the years and how we are working to inspire the next generation of Rotarians. We will honor six Middle and West Tennessee women who rose to

leadership within Rotary and supporters who championed diversity and inclusion within the membership. Our keynote speaker will be Dr. Sylvia Whitlock from Claremont, CA, one of the remarkable women behind the U.S. Supreme Court case admitting women into Rotary, and the first woman to serve as president of a Rotary club.

This special event is open to all Rotarians and their guests. Tickets are \$50 per person. Deadline to register is April 8.
