Weekly Update from the Rotary Club of Nashville

VIRTUAL ROTARY MEETINGS

Rotarians: We continue to monitor the news and guidelines on public meetings and have temporarily suspended in-person meetings until further notice. In the meantime, we're excited to announce several ways to stay connected to our community.

Virtual Rotary Meetings

Starting on April 6, we will host virtual Rotary meetings. See below for meeting call in information. A reminder email will be sent on Monday mornings. Meetings will be conducted via Zoom. Zoom allows for meetings to be held by audio (call in and listen on your phone) and by video (use your phone or computer to watch and listen).

Did you miss the first meeting? See below for how to watch.

Virtual Rotary After Hours

Social distancing doesn't mean social isolation! We're hosting weekly happy hours every Thursday from 5-6 p.m. during the Safer at Home order. Each happy hour will be limited to 10 people to ensure good conversation. Please only sign up for one happy hour in April. Grab your favorite beverage and log in to the Zoom meeting from your couch.

DISASTER RELIEF

Nashville Rotary's COVID-19 Response

Nashville has taken another hit with the global pandemic hitting close to home for all of us. The Rotary Club of Nashville has a history of stepping up to help those in our community who are in need. The need in Nashville is growing tremendously, and so is our response.

The Rotary Club of Nashville is seeing significant savings of meeting expenses as in-person meetings are temporarily postponed.

Here's how we will use those savings to serve our community:

- We are supporting the Wildhorse Saloon staff who serve us every week with generous gift cards to be mailed to each server next week.
- We are supporting the United Way of Greater Nashville's COVID-19 Relief Fund with an \$11,000 donation. [Learn more about this fund here.](#)
- We are continuing our service opportunity of packing food packs with Second Harvest Food Bank. We are restricting the number of volunteers and keeping a distance from each other as we work.

Nashville Rotary's Tornado Response

Nashville Rotary applied for and received a Rotary International Disaster Relief grant of \$15,000. We purchased \$100 Kroger gift cards and worked with Second Harvest Food Bank to distribute in the North Nashville community.
