IndyCar is coming to Nashville with the inaugural Music City Grand Prix. For three days in August, the streets of downtown will come alive with the sounds of music, food, and racing, all spun into an experience you just have to be there to feel.

Music City Grand Prix will combine all that Music City does best by hosting a festival-like series of events focused on music, celebrity, food, and racing. MCGP will create a best-in-class annual event on the IndyCar schedule that benefits the city, the fans, and the racing community alike.

About IndyCar:

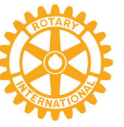

Featuring races at a combination of superspeedways, short ovals, road courses, and temporary street circuits, the NTT INDYCAR SERIES offers its international lineup of drivers the most diverse challenge in motorsports.

The NTT INDYCAR SERIES is held across the U.S. and Canada. While INDYCAR is the governing body for the sport, each individual race is operated by its own ownership group.

These stars drive single-seat cars that feature the new Aeroscreen and a 2.2-liter, twin-turbocharged, direct-injected V-6 engine optimized to run at 12,000 RPM with an estimated 500-700 horsepower depending on the turbocharger boost setting.

UPDATE ON ROTARY MEETINGS

We are excited to announce that Nashville Rotary will begin a hybrid meeting format on Monday, May 3. The hybrid meeting format will allow for an opportunity to attend in person at the Wildhorse Saloon or virtually through a Zoom livestream. Initially, we will allow up to 100 people to attend in person. Should it become unsafe to continue the in-person option, we will revert to a virtual-only meeting format.

The in-person meeting RSVP will open each Monday at 3 p.m. and end by Thursday at 9 a.m. that week. The RSVP for Monday, May 3 will open on Monday, April 26 at 3 p.m. You will receive an email with a link to the RSVP. If space allows, we will have an opportunity for members to bring prospective members to the in-person meeting.

No RSVP is necessary to attend the virtual meeting.
