Weekly Update from the Rotary Club of Nashville

VIRTUAL ROTARY MEETINGS

Rotarians: We continue to monitor guidelines on public meetings and have temporarily suspended in-person meetings further notice. In the meantime, we're excited to continue several ways to stay connected to our community.

Virtual Rotary Meetings

Each Monday until we are able to host in-person meetings again, we will meet virtually. See below for meeting call in information. A reminder email will be sent on Monday mornings. Meetings will be conducted via Zoom. Zoom allows for meetings to be held by audio (call in and listen on your phone) and by video (use your phone or computer to watch and listen). Did you miss the meeting on Monday? See below for how to watch.

Virtual Rotary After Hours | Virtual Coffee Catch Up

Social distancing doesn't mean social isolation! We're hosting bi-weekly happy hours every Thursday from 4:45-5:15 p.m. during the Safer at Home order. Catch up with our President Harry Allen every other week at 9:30 a.m.

SPECIAL ACTION TO BE TAKEN BY CLUB MEMBERS

Dear Rotarians,

Reviewing the constitution and is a regular practice of the board and reflects good governance. Any proposed changes to our Club's bylaws require a vote of the membership after an approved motion by the Board of Directors. At the April meeting of the Board of Directors, a motion was made and approved to amend Article VI, Section 7 of the Rotary Club Of Nashville Constitution. Section 7 regards membership of holders of Public Office and currently states:

Section 7 — Holders of Public Office. Persons elected or appointed to public office for a specified time shall not be eligible to active membership in this club under the classification of such office. This restriction shall not apply to persons holding positions or offices in schools, colleges, or other institutions of learning or to persons who are elected or appointed to the judiciary. Members who are elected or appointed to public office for a specified period may continue as such members in their existing classifications during the period in which they hold such office.

It is the desire of the Board of Directors to add the following to Article VI, Section 7: The Governor of the State of Tennessee and the Mayor of the Metropolitan Government of Nashville & Davidson County are eligible to apply for membership while serving in office.

A call for a vote from members regarding this amendment will be taken during our meeting on Monday, June 8th.

Thank you,

Harry L. Allen
Rotary President

DISASTER RELIEF

Nashville Rotary's COVID-19 Response

Nashville has taken another hit with the global pandemic hitting close to home for all of us. The Rotary Club of Nashville has a history of stepping up to help those in our community who are in need. The need in Nashville is growing tremendously, and so is our response.

The Rotary Club of Nashville is seeing significant savings of meeting expenses as in-person meetings are temporarily postponed.

Here's how we will use those savings to serve our community:

- We are supporting the Wildhorse Saloon staff who serve us every week with generous financial gifts mailed to each server.
- We are supporting the United Way of Greater Nashville's COVID-19 Relief Fund with an \$11,000 donation. [Learn more about this fund here.](#)

The Rotary Club of Nashville applied for and received a Disaster Relief grant from Rotary International. We purchased \$15,000 worth of Kroger gift card. We're grateful for Second Harvest Food Bank for distributing these \$100 gift cards to our neighbors affected by the March 3 tornado.

We would like to say thank you so much for the gift card we received compliments of the Rotary Club of Nashville. We experienced alot of damage to our property and your generosity was a wonderful blessing.

Sincerely —

Steve + Susan Corbitt
