

Rotary Meeting: Monday, August 19, 2019

Speaker: Elaine Weiss

Topic: The Great Fight to Win the Vote for Women

Over the next year, Nashville will be celebrating the 100th Anniversary of the 19th Amendment. Elaine Weiss, award winning author of Votes for Women-The Great Fight to Win the Vote for Women, will get us ready with her description of the time when suffragists and anti-suffragists used “betrayals, bribes, bourbon, bigotry and the Bible” to convince lawmakers to kill or ratify the 19th Amendment -

deciding once and for all whether women in America could vote. A journalist by background, Elaine spent 5 years researching the dramatic last 6 weeks in Nashville leading up to the Legislature’s vote that gave us the 19th Amendment.

New Member Proposals: The following applicants have moved through the application process and been approved for publication and consideration by the general membership. If no objections are filed in writing within 10 days, the applicants shall be declared elected to membership. Until notified by the Rotary Office, the applicants HAVE NOT completed the membership process.
