VIRTUAL ROTARY-AUGUST 31, 2020: JON ROBINSON, TENNESSEE TITANS

Jon Robinson enters his fifth season as the team's general manager. He was hired in January 2016 and was promoted in 2017 to executive vice president/general manager. In each of his first four years on the job, the Titans finished with a 9-7 record. Robinson became only the second general manager in franchise history whose first four teams finished above the .500 mark, while the Titans joined the New England Patriots, Seattle Seahawks and Kansas City Chiefs as the only NFL teams to accomplish the feat from 2016 through 2019. Robinson's work helped the team go from three wins in the season prior to his arrival to a divisional round playoff finish following the 2017 campaign. He became the fifth general manager in franchise history to have the team in the playoffs within his first two full seasons. Then, in 2019, the team he constructed advanced to the AFC Championship game to make the organization's first appearance in the conference title game in 17 seasons (2002). Robinson arrived in Tennessee with a wide range of experience on the personnel side of the NFL. From 2014 to 2015, he served as director of player personnel for the Tampa Bay Buccaneers and oversaw both college and pro departments as the team rebuilt its roster. Prior to joining Tampa Bay, Robinson spent 12 years with the Patriots, including his last five years (2009-2013) as the director of college scouting. He joined New England as an area scout in 2002, a role he served for four seasons. Robinson then spent two years (2006-07) as a regional scout, before being promoted to assistant director of college scouting in 2008 and then director of college scouting in 2009. In his time scouting for the Patriots the team won 10 division titles, four conference titles and two Super Bowls (2003, 2004). Robinson played three years at Southeast Missouri State as a defensive lineman. Following his collegiate playing career, he spent one season (1998) coaching at his alma mater and three years (1999-2001) coaching at Nicholls State. A native of Union City, Tenn., Robinson and his wife, Jaimie, have two daughters, Taylor and Bailey. They are deeply involved in the Juvenile Diabetes Research Foundation (JDRF), inspired by Taylor's battle with the disease. In 2018, the Robinsons chaired the JDRF Gala in Nashville which raised over 1.8 million dollars for diabetes research.

FORUMS FOR SERVICE

Because of your support of the Nashville Rotary Service Trust, we were able to distribute \$150,000 in grants to organizations serving our community and beyond. Each week, we'll learn how your support is making an impact on our neighbors in need.

HABITAT FOR HUMANITY OF GREATER NASHVILLE

Our grant of \$15,000 to Habitat for Humanity will help 27 families achieve their dream of homeownership. We will come together to build one single family home in October and also work on a town home community in the Spring. Your gift to the NRST Footprint Fund made this happen!
