## Panel: The Arctic 8

An Arctic adventure ended in a daring helicopter rescue for eight prominent Nashvillians. Rotarian Tim Ozgener of OZ Arts will lead the panel discussion of Nashvillians: Karl Dean, Kevin Crumbo, Bert Mathews, John Deane, Breck Walker and Frank Garrison, along with their rescuers from Svalbard, Kjell Erik and Mari Martinsen. Hear what the group experienced in the Arctic Circle while hiking and wildlife watching before each member was lifted one-by-one by harness out of a lifeboat.

**New Member Proposals:** The following applicants have moved through the application process and been approved for publication and consideration by the general membership. If no objections are filed in writing within 10 days, the applicants shall be declared elected to membership. Until notified by the Rotary Office, the applicants HAVE NOT completed the membership process.
