Program: The Hume Award

The Hume Award recognizes the most outstanding football player in Metro Nashville Public Schools. The winner is chosen based on the following criteria: sportsmanship,

scholarship, individual performance and value to the team. Each Metro Nashville Public Schools has an opportunity to present a nominee. The Hume Award was inaugurated in 1944. During an evening of watching a football game between two high school teams at West High School, Mr. William Hume, a prominent Nashville attorney and civic leader, and Chairman of the City Schools, decided that some recognition should be given to the fine young men participating in the game of football in the Nashville schools.
