Weekly Update from the Rotary Club of Nashville

Virtual Rotary Meetings

Each Monday until we are able to host in-person meetings again, we will meet virtually. See below for meeting call in information. A reminder email will be sent on Monday mornings. Meetings will be conducted via Zoom. Zoom allows for meetings to be held by audio (call in and listen on your phone) and by video (use your phone or computer to watch and listen). Did you miss the meeting on Monday? See below for how to attend.

VIRTUAL ROTARY-AUGUST 3, 2020: MELODY GIBSON, DESIGN YOUR OWN NEIGHBORHOOD, CIVIC DESIGN CENTER

Design Your Neighborhood. That's the ambitious mission Nashville's 7th and 8th graders are undertaking, thanks to the Nashville Civic Design Center's innovative education program. DYN is teaching the students how to problem-solve transportation and affordable housing issues in their neighborhoods, while building awareness and exposure to the world around them. The Center's Education Director, Melody Gibson, will introduce us to this project-based curriculum, that encourages students to recognize their ability to make change and become civic leaders themselves. This is a family-friendly program!

The Civic Design Center is a 501(c)3 nonprofit that works with residents, organizations, and municipalities to help improve the quality of life of all people in communities. We do this through engagement, education, connection and design.
