Weekly update

Tuesday, July 9, 2019

Greetings Smyrna Rotarians,

As we start our new Rotary year, we are in an all-out sprint to prepare for our largest annual event The Wings of Freedom Fish Fry. I hope that with all the events of summer you are able to spend some time thinking about who else we should ask to be involved in this event as a sponsor or a participant. Look for much more information to come and don't forget the Phone a Thon coming up next week. Our current total pledged is over \$130,000.

This year our Rotary International President, **Mark Maloney** has asked that we make an all out push to **Grow Rotary**. With this initiative in mind, I am asking for each member of the Smyrna Rotary club to invite 4 people to come and visit the club. That's 4 invitations over a year to people who are community minded and who want to make a difference. If we each do that over the coming year, we will expose Smyrna Rotary to about 400 new folks. Its a great way to grow our impact and to shape the future of our club in a positive way. When you consider how you personally came to be involved in Rotary, hopefully, it motivates you to share that opportunity with others.

Our club has many ways for you to get more involved please see any of the officers or board members about ways YOU can serve our community through YOUR Rotary club.

Thanks for YOUR willingness to serve and I look forward to seeing you tomorrow at our regular meeting.

--Bobby

Notes for the week

We will have a Fish Fry meeting at 1130 this Thursday. Please come prepared to share your thoughts around sponsorships and other matters. Please note we will have a Fish Fry Phone-a-Thon next Thursday after the meeting please come prepared to make a few calls and "FISH" for some more \$\$.

We will have a special called board meeting just after our regular lunch meeting this week to consider a new member application. All board members please prepare to stay for a few minutes.

Our regular board meeting will be this upcoming week on Tuesday the 16th at the Smyrna Airport conference room. Misty Garren is providing our lunch

This year in Smyrna we are going to implement a new service opportunity. For a couple of years our Sgt At Arms positions has been open. This position helps in getting room ready for the meeting, helping sign in and greet guests and members, and various other duties as needed. We are going to implement a system this year where we have 2 Sergeant At Arms for each meeting. These will rotate and you can sign up for as many weeks as you would like. Please see Jason or Robert in the back of the room beginning this week to sign up for this opportunity.
