Weekly newsletter 7/18/19

By Bobby Hopkins on Thursday, July 18, 2019

Please join me this week for Rotary at noon. We will have a special guest speaker who should be very interesting. He has served his career in the US Navy Submarine service. Thanks to Wayne Blair for helping us find this speaker.

Help me welcome Sean Hart as a new member of our club. Sean has previous Rotary experience in the Murfreesboro club. He is employed with Southern Bank as a Senior VP.

Your Rotary board met this week and voted to approve a joint service project with the other 2 clubs in the Rutherford county. This will take place in November 9 here in Smyrna to benefit Habitat for Humanity. More information will follow.

Please join us after the meeting today for a phone-a-thon to solicit sponsors for our upcoming Wings of Freedom Fish Fry. We are making good progress and have over \$130,000 pledged. That leaves us \$70,000 to go to meet our goal of \$200,000. IF you are unable to stay and make calls please take a few minutes to share our posts on Facebook and any other social media you participate in. By making a united push like this we will build momentum and excitement for the event.

Remember to sign up for the sergeant at arms at the back table This will rotate each week and is a chance to serve as the host for the club for that day helping to welcome guests, to get the room ready for the meeting, and to say hello to our members as they arrive. You can serve as often as you wish.

Finally, and most important we have an upcoming service project. The Alert CDC Back to School Bash is on August 3 this year. This is always a great event which benefits our local community and we have a chance to volunteer and actively serve during this event. Watch your email for a sign-up invite to arrive this evening with more details

Thanks for all you do for your community !
