Rotarian Bryan Johnson Named 2021 Tennessee School Superintendent of the Year.

CONGRATULATIONS!!
Rotarian Bryan Johnson

Tennessee Organization of School Superintendents (TOSS) announced it has named Hamilton County Schools Superintendent Dr. Bryan Johnson its 2021 Tennessee School Superintendent of the Year.

Rotarian - Kelly Arnold, M.D., FAFAP received the Family Physician of the year award.

Please join us in congratulating
Rotarian - Dr. Kelly Arnold!

Kelly Rodney Arnold, M.D., FAAFP received the Family Physician of the year award this weekend in Nashville, TN.

This award is given to an individual that exemplifies the ideal Family Physician and who has made outstanding contributions to Family Medicine, the advancement of health, and medical education and training.

Dr. Arnold is the founder and CEO of Clinica Medicos which provided accessible care to Chattanooga's underserved Latino community regardless language, pregnancy, age, or gender by offering bilingual medical services, providing excellent healthcare regardless of condition or insurance status, and by empowering future medical and healthcare professionals through education and further training.

Dr. Arnold has consistently demonstrated compassion and caring while bringing health care disparities in Tennessee to light and working to provide solutions. She has also inspired and helped educate other providers to continue this important work.

Dr. Arnold expresses her thanks to the entire Clinica Medicos staff and states that this award would not have been possible without the caring, hard work, and support of her employees and clinic team.

We are proud of you Dr. Arnold!

Four Way Test

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary "4-Way Test." It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of the Chicago based Club Aluminum Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy. Herb Taylor became president of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians.

"Of the things we think, say or do:

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?"**
