Results from last week's poll: Would you want to sit front row at an MMA fight?

Friday, June 25, 2021

At the June 15 meeting Commissioner Carter Lawrence told an anecdote about sitting front row at an MMA fight for business reasons.

We asked: Would you want to sit front row at an MMA fight, even if you had to wear a suit and might get some spit and blood on you?

Don't forget to answer this week's poll: [What was your favorite food item at our Club Social at TRUE?](#)

District Celebration Coming June 26!

District Governor Ron Appuhn invites you to attend our District 6780 Celebration on Saturday, June 26, in the Bishop Center at the Webb School of Knoxville. This will be a hybrid event, but you must register to attend either in person or by Zoom. The celebration event will begin promptly at 1:30 PM EDT and should conclude around 4:00 PM EDT.

We have much to celebrate this year! Although it has been a year of challenges, our Rotary clubs and our Rotarians have continued to demonstrate "service above self" and have completed many service projects locally and internationally. Over 50 clubs are expected to have earned at least one award! Additionally, we will remember those Rotarians who passed this year, we will hear about our youth in action, and we will recognize our current and future leaders for our clubs and our district.

A special part of our celebration will be the installation and pinning ceremony for our 2021-22 district governor

team of District Governor Cindy Gammons (Lafayette), District Governor-elect Al Clark (Franklin County AM), and District Governor-nominee Susie Cantrell (Cookeville Sunset). Their energy and enthusiasm will lead our district to even greater heights in the years ahead!

Our Celebration event is free of charge, but you must be registered to attend in person.

Please register to attend by Zoom at this link: <https://dacdb.com/index.cfm?EventID=77531802>. [Read More](#)

My Rotary Has New Look and More Functionality

By David Peterson, Club and District Support Manager, and Victoria Schiffman, Member and Club Management Product Owner, Rotary International

Imagine this: You meet a fellow Rotarian at an event. You are interested in collaborating on a project and promise to follow up. A few days later, you realized you've misplaced their contact information. Now what?

You could search Google or social media. You may even try to call us, hoping Rotary International could help, but we can't share our members' information. So now what?

You go to the newly updated My Rotary website and use the member search function to find that member! You can search by name, location, role or club. And based on that member's privacy settings, you can make an instant connection.

This is just one of the many updates we recently made to My Rotary - our members-only website for Rotarians and Rotaractors. The site has been around for a long time, providing access to resources, tools and information that improve the membership

experience. Over the years though, we'd hear that it was too slow, hard to navigate, and difficult to use. Our members were frustrated and My Rotary was no longer meeting their needs.

So, we set out to give you what you asked for. And this month, we launched an improved My Rotary.

Many of the initial changes are focused on functionality for club officers since they are the site's heaviest users. But there are plenty of improvements that all members can benefit from. My Rotary is now faster and easier to use. It's more accessible from mobile devices. It even has an updated look and feel. It also has improved member profiles and security settings so you easily make connections with other members, while also protecting your personal information. No more missed connections!

It's simple.
