Dr. Lamb Shares the L.O.V.E.

By Mica Stephens Carlton on Tuesday, November 9, 2021

Dr. Lamb and Club President Vaughn Berger

At our November 9th meeting, William Lamb of Lee University came to join us and speak with our club.

He wanted to share the message of L-O-V-E. He broke down his definition of this polyseme.

- L: Laugh often
- O: Observe the Reality
- V: Be Brave
- E: Be Eternally focused

◆The real players show up, even when it◆s tough to play the game.◆

◆We◆re all building on something that someone else has already established, while making it possible for the next generation to build on that, which you are maintaining.◆

Like Legos, we as people are made to connect, it◆s what were here for.

Interactive Member Survey: We love to laugh, long and loud and clear

Friday, November 12, 2021

At our November 9th meeting, speaker Dr. William Lamb encouraged us to "Laugh Often."

Have you laughed out loud today? (With humor, not a sarcastic one like the "Ha!" you give when someone asks you if you're ready for Christmas)

Yes

No

Henry Hawk Needs Help!

By Keith Barrett on Wednesday, November 10, 2021

Message from the Hawk:

Rotarians help me please! Keith Barrett has been charged with raising money for the William Hall Rodgers Fund and I am afraid he is doing it at my potential demise! I overheard him discussing an auction of me to be someone's Thanksgiving Dinner (probably his). I think he is serious. I spied on his internet browsing and he is searching for Big Green Egg Hawk recipes and what dressings go best with Hawk.

I think I can save myself if you help me raise enough money to out bid him for me. He says if I raise \$500 he will let me go. Here is how you can help me:

- Email Keith at Keith.Barrett@pnfp.com with your pledge or confirmation of donation made to the William Hall Rodgers Fund by next Tuesday, November 16, or
- Bring a cash or check to Keith at the next meeting.

Helping me raise \$500 will feed dozens of hungry families in our community instead of me feeding one Barrett family!

Thank you for your help.

Andrew Dinsmore Proposed for Membership

Andrew Dinsmore, Store Manager of our Cleveland Publix, has been proposed for membership in the Rotary Club of Cleveland by Rotarian Mike Griffin.

Andrew currently serves on the Volunteer Board of Directors for Junior Achievement of the Ocoee Region.

Results from last week's poll: Would you want to get your pilot's license?

Friday, November 12, 2021

At our November 2 meeting, speaker Retired Col. Scott Campbell told us about a shortage of pilots nationwide, military and commercial. He also told us about a JROTC program that provides the opportunity for candidates to get their pilot's license.

We asked: If you had the time and the resources, would you want to get your pilot's license?

Don't forget to answer this week's survey: [Have you laughed out loud today?](#)

District Governor's October Message

The month of October is Rotary Community and Economic Development. Worldwide, nearly 800 million people live on less than \$1.90 a day. Rotary members are passionate about providing sustainable solutions to poverty. Our members and our foundation work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities, providing training and access to well-paying jobs and financial management institutions.

I have spent the past three and a half months traveling all over the district visiting our clubs. To date, I have attended 58 out of 64 club and board meetings. It has been such a treat to get to know all of the Rotarians in our district. I have heard about all of the wonderful service projects clubs have done and so many more that you have planned. It just amazes me how

much our clubs are doing not only for community and economic development but also for all seven areas of focus plus so much more!

Here in our own district, I am very pleased to announce that the Zone 30 Nominating Committee has named Rhonda E. **Beth** Stubbs as its selection for Rotary International Director Nominee for Zones 30 and 31, to serve in 2023-2025. Beth is a member of the Maryville Club. She was our District Governor in 2015-2016, and she currently serves as our District Trainer. Beth has done so much for Rotary not only in

our district but also in our Zone and around the world. She is very deserving of this honor. Please join me in congratulating Beth on her nomination and read more about it in the story below.

October 24 is World Polio Day, and I hope every club will celebrate with a special activity. President Shekhar has made a video for this special day. Greg Maciolek will have it on our District 6780 Webpage, DACdb and Andrea Ludden will put it on our Facebook page. Please take time to watch the short video on polio. In June, the Global Polio Eradication Initiative launched a new strategic plan, **Delivering on a Promise: Polio Eradication Strategy 2022-2026**. Read about this initiative in the story below and how Rotary will participate in finally ending this terrible disease throughout the world. There is also a great article in your Rotary Magazine for this month, check it out.

An important training program is coming up. Check out the story below to learn about Presidents-Elect Training Seminar Orientation. Rotary Leadership Academy I, II, and III that was scheduled for November will be postponed until January.

We have made some revisions to the District Calendar for the rest of the year. Please be sure to check out the updated calendar on our District 6780 webpage. It should be up in the next couple of days.
