EMPOWERING WOMEN IN ROTARY SERIES

By Robert L. Beasley on Sunday, August 2, 2020

SERIES OFFERED ON EMPOWERING WOMEN IN ROTARY

You are invited to join in the 2020 Series **Empowering Women in Rotary**. This inspirational series is for all to learn and grow as Rotarians in support of the difference we can make when working together. Each of these sessions will leave you inspired and challenged as we hear from these incredible leaders and hear the impact they are making to empower us all.

ON **AUGUST 10th**, you will hear from the creators and founders of EMPOWERING WOMEN IN ROTARY. They will share some of their stories of triumph, failure, and struggles along the way.

ON **AUGUST 24th**, you will hear from incoming R.I Director Elizabeth Usovich on Empowering Women in Times of Change. The current year is like no other that we have experienced. How do we create positive change? In this interactive session with Elizabeth, you will explore ways to lead change, encourage positive change and create opportunities for the next generation.

ON **SEPTEMBER 14**, you will hear about New Generations of Hope from a wonderful woman Razia Jan, who was born in Afghanistan. Because of her humanitarian efforts, she was honored in a book by First Lady Laura Bush.

ON **OCTOBER 12th**, during World Polio month, you will hear from Anne Lee Hussey and Carl Chinnery, both of which are Polio survivors and have each made it their mission in life to help eradicate the Polio virus.

ON **NOVEMBER 9th**, you will hear from Brenda Cressey, who is the first ever female Chairman of the Board of Trustees at RI. She and Pam Stewart will talk about Doing Good in the World working with our Rotary Foundation.

Please go to the Empowering Women in Rotary website to sign up for any or all sessions you are interested in. All sessions begin at 7 PM Eastern / 6 PM Central and will last approximately 60 minutes. Registration and additional information can be found at www.ewrotary.com.
