## Member Spotlight

### Rhoni Basden

This past Thursday we got to know star member, Rhoni Basden, just a little bit better.

Who knew Rhoni travelled coast to coast, Seattle is comparable to San Francisco cost-wise, gator lover (tough to type), love the mountains, and family and working mom just to mention a few activities. Thanks for sharing Rhoni.

## Special Announcements

### Third Grade Reading Project

Jennifer and Nikki announced last Thursday that we will be taking on a new project to read with third graders from Willow Brook. The children will receive several books throughout the time we work with them.

On Thursday, we will be asking club members to support this important initiative by volunteering time to read with these children.

Please help us to make a difference in the lives of these children!

## Last Week's Program

### Bridges of the Manhattan Project Oak Ridge

Last week took an interesting look at the history of over-water travel throughout the history of Oak Ridge, starting with the ferry systems and moving all the way along to the modern bridges of today.

This and other interesting stories can be found at the new Oak Ridge History Museum at the Midtown Community Center. You can learn more about the museum by visiting the website. [Visit website.](#)
