## Last Week's Program

## A Rotary History Lesson

As our kick-off for our club's 75th birthday, John Gunning gave a brief but informative history of Rotary. John started in Chicago with the 4 original members and ended in Oak Ridge with Rotary Club of Oak Ridge trivia. The five oldest Rotary clubs are Chicago in 1905, San Francisco (1908), Oakland (1908), Seattle (1909), and rounding out the top 5 is Los Angeles. In 2020 there were over 35,000 clubs in 164 countries comprising of 1.2 million members.

Forty years after the Chicago club was formed, the Noon Rotary Club of Oak Ridge had it first meeting and became the 3877th Rotary club. Our club was sponsored by the Rotary Club of Knoxville, the 3866th club. There were fifteen charter members and now we have over 100 members plus two other Oak clubs.

If you want to find out more about our club, past presidents, member trivia and more history click the below link.
