Last Week's Program

YWCA GameChangers Program

Last week's speaker was Edward Harrison, Project Coordinator, for the YWCA Game Changers Program. GameChangers is a unique program, conceived by YWCA Knoxville and the Tennessee Valley, that teaches boys and young men about healthy and unhealthy relationships, violence in relationships, skills for speaking out when they witness violence against women, and more. They build mentoring relationships with middle school aged boys and focus on topics such as positive gender roles, victim blaming and the significance of bystander intervention tactics. Edward is looking for new opportunities to come speak to church groups, civic groups, after school sites, etc. where they can get more young men involved in this excellent program!

You can learn more about GameChangers [here](#).
