2021 Street Painting Festival

The Rotary Club of Oak Ridge's annual Street Painting Festival gives artists of all ages an opportunity to showcase their talent and have fun. In addition, the event raises funds for Roane State student scholarships. This year's festival at Jackson Square is planned for Saturday, Oct. 16. As a Street Painting Festival sponsor, you show your support for the arts and for education. Thank you! You are making a difference.

The theme for this year's event is the Scarboro 85. The Scarboro 85 were the first Black students to integrate Oak Ridge High School and Robertsville Junior High on September 6, 1955. We remember and honor the courageous Scarboro 85 as part of our Oak Ridge history.

With a tax-exempt donation to the Roane State Foundation, you will be honored as a festival sponsor. Sidewalk chalk squares are labeled with the names of sponsors.

Early celebration of World Polio Day will begin October 20th by clubs in district 6780 and adjacent districts who have partnered with Dunkin Donuts and The Gates Foundation to turn every \$2.50 donut donation into \$18.75 to help eradicate polio.

Where the money goes:

In countries with a high risk for polio, children under 5 get the polio vaccine by mouth 2x per year during "National Immunization Day" events. A simple, yet effective system keeps track of which children have received the vaccine by painting their pinkies a signature purple color. This simple act has since become the international symbol of a polio free-world.

How to Order:

Send your order with how many dozen you would like to preorder to Cyndi Jeffers at 865-679-4668 or email to cjeffers@herronconnell.com.

With this easy fundraiser, your \$50 annually requested PolioPlus donation can turn into \$375 to End Polio Now! [Read more in the district flyer.](#)

This Week's Program

Jim Campbell with East Tennessee Economic Council

This week we're sure to hear some compelling developments for the Oak Ridge community as we welcome Jim Campbell, President of the East Tennessee Economic Council (ETEC). Jim is a Maryville native and was an Oak Ridge resident for over 30 years. Now as President of ETEC, Jim is dedicated to supporting the federal government's missions in Oak Ridge while bolstering efforts to distribute and employ those technologies and their creators in new endeavors in order to foster greater prosperity for our region.

Last Week's Program

Visit from our District Governor

If you didn't make it to last week's meeting, you missed a good time. So many of our members expressed such joy at meeting back in-person that Madam President, Naomi Asher had to make three separate calls to get us back on track to start the program from our new District Governor, Cindy Gammons.

Governor Gammons shared with us many of the details of the vision shared by Rotary International President, Shekhar Mehta of India. Shekhar's theme this year is, "Serve to Change Lives". His vision and challenges include the Each One Bring One initiative, which asks each club member to bring a visitor to their club and not relying on other star members to bring more than their share. Also mentioned were Shekhar's focus on Empowering Girls and doing and promoting service in our communities. For more on Shekhar's powerful message, Cindy encourages us to [watch this video](#).
