Meeting Notes November 3, 2021

Notes for Rotary Meeting November 3, 2021

Submitted by Beth Shea

Guests: We had no guests or visitors this week.

Announcements:

President Tony Wright reminded us to ♦each one bring one.♦ The Club has as a goal for 40% of its members (us!) to bring a prospective member or guest to a meeting.

Tammy Saylor announced that it is Christmas Angel time again. She should get our angels on Friday and will bring them to next week ♦s meeting. We will have 60 children this year.

Lydia Birk announced that there has been a lot of interest in district and global grants this year and a committee will be formed to rank and select the proposals to put forward.

President Tony reminded us that there is no meeting on November 24 because of Thanksgiving. Next week ♦s speaker is Christine Michaels of the Oak Ridge Chamber of Commerce.

Mary Lou Auxier had the winning ticket this week but the Joker was nowhere to be seen. We ♦ll try again next week.

Rooster Brenda Thornburgh was ill so we went right to Happy Dollars. We hope she feels better soon!

Happy Dollars:

Stuart Clark was happy because he got to visit Hawaii and see his 6 of his grandchildren.

Emily Jernigan was happy because she got to spend 10 days with her grandchildren in St. Louis. She was also happy because Sheila Arnold, a future Flatwater Tales storyteller, has been in Oak Ridge working with Ray Smith and Charles Crowe on the stories of the Oak Ridge 85.

Wayne Houberg was happy about his recent trip to France with James Wilson.

Dean Cheatham was happy to go camping in North Carolina for his 69th birthday. He is still collecting books for the Christmas Parade.

David Coffey was happy to be the oldest person in the club ♦ he put in a dollar for each year.

Bonnie is happy to be going to New York.

Pete Peterson gave \$60 for 60 years of marriage.

Sherrie Fairchild-Keyes was happy for her AARP birthday celebration. She collected funds for the counseling program at Willow Brook. With donations and pledges she has raised \$1600 so far.

Program:

President Tony introduced today ♦s speakers, David Olsen and James Wilson, who gave a very thorough presentation about Rotary Foundations as November is Rotary Foundation Month. Members new and old sometimes do not understand the two programs. David spoke about the International Foundation and James spoke about our local Club Foundation. Both have 501c3 nonprofit status. David and James went over the purposes, programs, and goals of both foundations and gave information about how to donate. James explained the sources of funds for our Club Foundation (Joker Draw, annual auction, and individual contributions) and how these have been impacted by the pandemic. Local funds support Community Action Grants (last year we gave out \$55,000), the dictionary project, Career Pathways, Christmas Angels, flood relief, and the Christmas Parade book giveaway. The goal is for everyone to contribute according to their means. James is the chair of the local foundation this year and Charles Crowe has been nominated to chair next year.

In the Q & A, Bonnie Carroll offered to help anyone wishing to leave a gift to Rotary in your will. Emily Jernigan suggested the easiest way to give to the International Foundation is to do it online with a credit card. President Tony reminded us that Rooster money goes toward the club's operating expenses. Judi Gray asked what large group fundraisers are coming up. President Tony replied that we may do a Christmas auction and that today's in person attendance was encouraging (39 in person plus 7 on Zoom).

THANKS to David Olsen and James Wilson for doing a terrific update program last week on activities going on in our two Foundations.

Here is a link to the video recording of their presentation. If you were not there in person or by zoom, hope you take the time to watch this. Any and all members please share this video with others please.

Beth Stubbs Nominated to Rotary International Board of Directors

Elizabeth Usovicz, Rotary Public Image Coordinator of Zone 31 and Director of the Rotary International Board of Directors for 2021-2023, has announced that, in accordance with the Rotary International Bylaws, the Zone 30 Nominating Committee has named Rhonda E. Beth Stubbs of the Rotary Club of Maryville, TN, District, 6780, as its selection for Rotary International Director Nominee for Zones 30 and 31, to serve in 2023-2025.

In making the announcement, Usovicz noted that official notification of the selection of the Zone 30 Nominating Committee has been sent by the Rotary International General Secretary to all district governors and club presidents in Zone 30. In this notification, the General Secretary also informed that a challenging candidate may be submitted before 1 December. If the general secretary does not receive a duly proposed challenge to the selection of a zone's nominating committee for director by 1 December, the Rotary International president shall declare the selection of the nominating committee to be the director-nominee from the zone.

Beth is a member of the Maryville Club and was District Governor in 2015-2016. She has served the District as a Mid-South PETS trainer many times, Assistant Governor, District Conference Chair, and District Annual Program Fund Chair. Because of her support for The Rotary Foundation, District 6780 has led the way for many years in per capita giving to the Annual Fund, total giving, and many other categories for Zones 30 and 31.

Presidents-Elect Training Seminar Orientation (PETS-O)

Rotarians who will become Club Presidents on July 1, 2022, should plan to attend the Presidents-Elect Training Seminar - Orientation (PETS-O), where they will begin their journey together for the upcoming 2022-2023 Rotary year.

The awesome responsibility of serving as your Club President requires that we find common ground on what Rotary is and does and how we go about leading our organization.

On Saturday, October 23, 2021, future Presidents will meet together at Stone Memorial High School in Crossville to consider the WHO, WHAT, WHEN, WHERE, WHY, and HOW of the journey to the Club Presidency and prepare for the Mid-South President-Elect Training Seminar (PETS) in March of 2022.

All presidents-elect are required to attend this training. All COVID requirements will be observed.

Note that this in-person training does not include the Grants Training this year. Registration begins at 8:00 AM Central time, and the seminar goes from 8:30 AM to 12:30 PM. The Stone Memorial High School is located at 2800 Cook Road, Crossville, Tennessee. Register for PETS-O at on DACdb.

Rotary Leadership Institute I-II-III Postponed Until January

The Rotary Leadership Institute (RLI) scheduled for Saturday, November 6, in Crossville has been postponed until January. The location and new date will be announced.

RLI is a series of fast-paced interactive courses designed to build knowledge of Rotary. Among others, topics include Membership, Service Projects, and The Rotary Foundation. The courses are fun,

topical, and hands-on. Members learn from each other. There are no lectures! Rather, sessions are geared toward busy business professionals who want to be more effective leaders in their vocation and in their Rotary Club.

Participants return to their clubs with new friends, enthusiasm, fresh ideas, and valuable leadership skills.

RLI is a great opportunity for new members or those who have been a member a while to learn more about Rotary and leadership in a volunteer organization. It's also perfect for those members who are on the track to club leadership.

The revised date and location will be announced on DACdb. Donna Fare is the Chair of RLI. She can be contacted at dfare@blomand.net.
