COVID-19 Club Meeting Precautions

By Tab R. Bowling on Thursday, September 23, 2021

Given the latest developments of the continued spread of COVID-19 we have adjusted our approach to in-person meetings to protect the health of our members and guests, and the community at large. After consulting with local health and infectious disease experts, the following changes took effect at our August 23, 2021 meeting:

- Everyone entering our meeting areas are encouraged to wear a mask, except when eating.
- Table capacity is set to four people per table.
- Doubletree staff will serve us as we pass through the food serving line. Please social distance when in

line.

Making these adjustments allows us to continue having in-person meetings with reduced risk for everyone who attends. I hope that the level of vaccinations among our members is likely much higher than among the general public. We will continue to offer Zoom links to our meetings, and we will monitor the ongoing COVID-19 developments to adjust our approach as needed.

We Have a Date - Thursday, October 21

By Tab R. Bowling on Thursday, September 23, 2021

We have a date and theme for our first Club Social. Thank you Dr. Bill and Betty Sims for opening your home to our Club as we will celebrate Fall and the annual 3rd Saturday in October, even though the Social is scheduled for Thursday evening.

Most know the Sims' are loyal to the University of Tennessee. I fully expect an evening full of good spirited fun as we prepare for the big game. The Sims' are also given to extending warm hospitality. So, please save this date, October 21st, as opportunity to have a wonderful time together as a Club.

We are banking that COVID will be out of the way and remember this will be a wonderful event to invite a prospective Four-Way Test member to join us.

YIRS,
Tab Bowling
Club President
