Weekly Song - Rotary Round

To the tune of "Row, Row, Row Your Boat", lyrics by Brice Wolford

Ro- Ro- Rotary,
The four way test we say.
These prin-ci-ples we work and live,
Each and every day.

Ro- Ro- Rotary,
A service club are we.
We raise lots of money,
and we give to charity.

Ro- Ro- Rotary,
Has fellowship for all.
We meet together every week
and we always have a ball.

President's Message July 24th, 2020 Congratulations to David Graff for winning the longest running 50/50 in club history. And yes David a Paul Harris Fellowship is a great investment. The new 50/50 that starts this week has a \$500 pot.

With the new normal we have to be cognizant of maintaining our safe guards. At the TPGCC in person (hybrid) meetings please remember to wear your face mask when you are not eating or drinking. Yes, that means while your sitting listening to the meeting proceedings. We will be using a stationary microphone for audience participation (announcements, questions, happy dollars). As you queue for the microphone please maintain social distancing. Please take advantage of the hand sanitizer when entering and leaving the Club. We will continue to hold Hybrid meetings as long as we get at least 25 RSVPs by 5pm on Mondays. So please respond to the Evites.

We have had technical challenges with the production of the Hybrid meetings. It is comparable to putting on a live television broadcast with audience participation. We are working to improve the process. It takes a team of three people to properly produce a hybrid meeting. If you're interested in helping with the production please contact Matt Palmer or Al Allen. Thanks.

Stay Safe.

All the Best,
Walt

foundations efforts to support our troops overseas. The foundation sends care packages to troops deployed and due to the circumstances of Covid not only are her supplies greatly reduced but her ability to raise donations has also been negatively affected. This was brought to our attention when Jason Contino reached out to her to find out how to get some of the packages delivered to a friend he has deployed currently in Afghanistan.

Therefore, we are asking if members can bring in both supplies and monetary donations (to cover the costs of the shipping). Each box cost approximately \$20 to ship and we are going to ship 20 boxes.

One of the particular items that was requested were black or brown boot socks. Paula has enough of the Bombas socks to add to the packages. But we will still need:

- ◆ Flavor packets to add to water bottles (powder)
- ◆ KCups
- ◆ Snacks (like beef jerky etc)

We will collect the supplies over the next 2-3 weeks, but will need volunteers to pack the care packages in 3 weeks.

If there are any questions feel free to reach out to Ashvin Maharaj (ashvin@allcountyalliance.com) ◆

CART Update

Dear Friends and C.A.R.T Contributors:

I am delighted to report that the C.A.R.T total at July 17, 2020, is \$107.00 . My thanks to all who worked to make this possible.

Yesterday, I met with young Mallory Page (Brad Page's daughter) who made a special trip to bring me the Club's contribution as well as her small donation to C.A.R.T.

Attached, is a picture of Linda Johnson (District C.A.R.T. rep) with her recently shaved hair look! As you can see, we are very serious about Alzheimer Research!
