Weekly Song - This Land is Your Land

"This Land Is Your Land" is one of the United States' most famous folk songs. Its lyrics were written by American folk singer Woody Guthrie in 1940, based on an existing melody, a Carter Family tune called "When the World's on Fire", in critical response to Irving Berlin's "God Bless America." When Guthrie was tired of hearing Kate Smith sing "God Bless America" on the radio in the late 1930s, he sarcastically called his song "God Blessed America for Me" before renaming it "This Land Is Your Land."

**This land is your land, this land is my land
From California to the New York Island
From the Redwood Forest to the Gulf Stream waters
This land was made for you and me.**

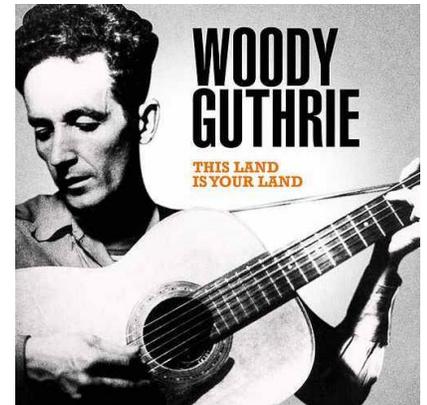

**As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me.**

**I roamed and I rambled and I followed my footsteps
To the sparkling sands of her diamond deserts
While all around me a voice was sounding
This land was made for you and me.**

**When the sun came shining, and I was strolling
And the wheat fields waving and the dust clouds rolling
A voice was chanting, As the fog was lifting,
This land was made for you and me.**

**This land is your land, this land is my land
From California to the New York Island
From the Redwood Forest to the Gulf Stream waters
This land was made for you and me.**

President's Message 07/19/19

By Ann C. Wade on Saturday, July 13, 2019

This week I want to applaud our Club for the fantastic job you did this past year conducting fundraisers which allowed us to donate \$38,891 to charities and organizations that do good things in our community and around the world! A few weeks ago we had our annual Contributions Celebration Breakfast at our Club meeting, and what a celebration it was! We were able to give donations to 35 organizations! Our club owes a huge thanks to the Chairmen of our two major fundraisers: Craig DiCecco, who chaired the Wiregrass Turkey Wobble Committee, and to Karen Frashier, who chaired the Taste of New Tampa Committee. Other funds were raised with our weekly Happy Dollars and the 50/50 project. A committee of 6 members evaluated the 35 nominations that were received from members and we were able to fund all 35 nominations. The Committee voted to donate 20% of the total amount raised for a Signature Project (which will soon be determined), and the remainder was given to Rotary youth services, the Rotary Foundation, Polio Plus, and community organizations and charities to aid in support of community and worldwide needs. I am sure all of our members walked away from the meeting with a feeling

of satisfaction that our club is making a difference in our world.

Last year we had over 181 volunteers working 711 man-hours in service to our club through fundraising and service projects. I hope everyone will become a part of a committee this year so that together we can Connect the World through Rotary.

Service Projects Schedule

By Dennis Loomis

Meals on Wheels

Our Club's Meals on Wheels Committee would like to make you aware of this service opportunity. One of RCNT's on-going service projects is its sponsorship of the NT1 and NT2 routes each Monday for Meals on Wheels.

We have recently had a team-member resign. The remaining team members are sufficient to cover the routes, however I would like to see if we could get one RCNT member who would like to join our team as either a substitute or full-time team member for the September through December time period. The person could then decide if they want to stay on the team starting in January as either a sub or full-time person.

Team members are normally scheduled for seven or eight routes per year and given the opportunity for input into the schedule. If something comes up, team members are good about trading and I am normally available to cover if no one else can.

Both of our routes are in the Tampa Palms or New Tampa regions (Hillsborough County); take about 90 minutes to complete; and start at the Lutheran Church in Tampa Palms at 1130 AM and end there at about 1 pm.

Anyone who may wish to consider this service opportunity could ride with one of our volunteers to learn the procedures and see if this would be something they would like to do. In order to become a volunteer, one must undergo a free background check with Meals on Wheels and attend an orientation session which typically lasts 60 to 90 minutes. They also must ride with either myself or one of our other volunteers before doing their own route.

Please contact Dennis Loomis, DennisLoomis1951@gmail.com, if you would like to volunteer.

What a Great Week in our District!

By Darren Kipnis on Sunday, July 14, 2019

Hi Rotarians -

I'd like to take this opportunity to brag on the clubs I visited this week. Our Plant City Clubs are off to a Great start as Bruce Rodwell of Plant City Daybreak and Doug Watson of the Plant City Club gear up on membership initiatives and their projects. The Highlands County Club, Led by Anastasia Saunders is gearing up for membership gains and their signature 24 hour Bike Ride. Ray Ploucher and his team at Tampa Westshore are shaking things up with fewer formal luncheons, more socials and a membership push. Ybor City is rolling into the new year with their continued emphasis on their community and has a great team in place with Anthony Scaglione at the helm. Our Tampa Rotaract club has been on a roll and has a CART initiative this year with a goal of raising \$40,000 and I know that with Gema Mora leading the team they will accomplish their goal. Tampa Interbay, led by Stephen Kauffman and his team are working towards expanding their reach by creating a networking directory. We will be working with them and Rotary Means Business to create amazing networking events. Interbay has also altered their meeting structure, frequency and venue. I think its going to be a Home Run.

Thanks for all of your hospitality this week, I look forward to visiting you all soon.

I hope to see our Presidents, Membership Chairs, Rotary Foundation Chairs and Public Image Chairs at our MEMBERSHIP, PUBLIC IMAGE and FOUNDATION SUMMIT at Keiser University on Saturday July 27th. If those mentioned cant make it, please consider sending someone in their place. This is a worthwhile use of your time. [Click Here for more.](#)

I will be cooking something delicious for us to enjoy for lunch, so come out and lets learn a few things and break bread with Rotary family.

I'm looking forward to seeing you all then.

Best,

DG Kip
Darren "Kip" Kipnis, District Governor
