Weekly Song - My Country 'Tis Of Thee

**My country 'tis of thee, sweet land of liberty
Of thee, I sing
Land where my fathers died, land of the
Pilgrim's
pride
From every mountain side, let freedom ring.**

History: "America (My Country, 'Tis of Thee)" is an American patriotic song, the lyrics of which were written by Samuel Francis Smith. The melody used is the same as that of the national anthem of the United Kingdom, "God Save the Queen". The song served as one of the de facto national anthems of the United States (along with songs like "Hail, Columbia") before the adoption of "The Star-Spangled Banner" as the official U.S. national anthem in 1931.

My coun - try, 'tis of thee, Sweet land of lib - er - ty,
Of thee I sing; Land where my fa - thers died! Land of the
Pil - grims' pride! From ev - 'ry moun - tain side Let free - dom ring!

2. My native country, thee,
Land of the noble free,
Thy name I love:
I love thy rocks and rills,
Thy woods and templed hills,
My heart with rapture thrills,
Like that above.

3. Let music swell the breeze,
And sing from all the trees
Sweet freedom's song;
Let mortal tongues awake;
Let all that breathe partake;
Let rocks their silence break,
The sound prolong.

4. Our fathers' God, to Thee,
Author of these,
To Thee we sing:
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King.

5. We love thee inland seas,
The groves and giant trees,
Thy rolling plains;
The river's mighty sweep,
The meadows carpet deep,
The mountains wild and steep--
All thy domains.

6. Thy silver Eastern strands,
The Golden Gate that stands
Fronting the West,
The North's unshuffled fife,
The South's sweet, crystal air,
O Land beyond compare,
We love thee best!

Club Experience Survey which we conducted at a recent meeting. Members expressed that they look forward to coming to weekly meetings and enjoy having good speakers, Feeding Tampa Bay Events, Meal Packing, Service Projects, Fund Raising, Happy Dollars, 50/50, Family Service Projects and Fellowship, and all activities that bring us together as Friends. They expressed that their spouse/Partner/Family are very supportive and involved.

Our club received an Excellent rating in local service Projects, Club Public Relations, Fundraising, support of The Rotary Foundation, and Fellowship, but they marked New Member Orientation/Education and International Service Projects as needing improvement.

The Survey showed that members would like to see the Club undertake Projects that impact 33647 area code more than other communities or states. They want projects that will include Food pantries, Feeding America and Tampa Bay, Veterans, Children, Arts for Children, Trinity caf on a regular basis, honoring First Responders, and projects with Rotaract and Interact. A Signature Project might include the Autism Park, continuing the current project of feeding Tampa Bay, and Veterans-Related or mental illness assistance projects.

Ideas for growing our membership included inviting acquaintances, having a Corporate membership, volunteer opportunities for non-members, fellowship groups, and frequent firesides. Member's experience could be enriched with more social events such as canoe outings, Rotary Camp Florida projects, family activities, and a culinary Club. Other suggestions included erecting a Rotary sign on Bruce B. Downs, raising our presence in the community, bringing back a Casino Night or Pig Roast, and having top level speakers.

Please contact me if you wish to have the complete summary of these survey results.

We can be proud of this capsule picture of our Club. We are doing a lot of the right things to make our club viable and inviting, but there are improvements we can make. I am looking forward to working with each of you to continue to make the Rotary club of New Tampa the MOST SERVICE-ORIENTED, BEST and FRIENDLIEST CLUB.

New Member Introduction

Introducing Lisa Schollenberger

My name is Lisa Schollenberger. I am originally from Western Pennsylvania and graduated from Chatham College with a degree in International Business with German. I met my husband while in college and worked for a few years after college in the Import/Export field, but decided to stay home with our two boys when my husband's job had us relocating every three years. After living in Pittsburgh, Philadelphia, Memphis, Dallas, Charlotte and Northern New Jersey, we settled here in Tampa. When my husband passed away a few years ago, I was a co-chair of the New Tampa YMCA Board so going to work full-time for the Y was an easy transition. I have been a director at the East Pasco Y, the South Tampa Y, the North Brandon Y and now here at my home Y, New Tampa. I have lived in Tampa Palms for 12 years and have two sons, Jordan and Jared. Jordan graduated from Georgia Tech and is an engineering consultant in Washington D.C. and Jared will be a Junior at the University of Florida this fall. In my free time, I love to read.

Service Projects Schedule

Meals on Wheels

Our Club's Meals on Wheels Committee would like to make you aware of this service opportunity. One of RCNT's on-going service projects is its sponsorship of the NT1 and NT2 routes each Monday for Meals on Wheels.

We have recently had a team-member resign. The remaining team members are sufficient to cover the routes, however I would like to see if we could get one RCNT member who would like to join our team as either a substitute or full-time team member for the September through December time period. The person could then decide if they want to stay on the team starting in January as either a sub or full-time person.

Team members are normally scheduled for seven or eight routes per year and given the opportunity for input into the schedule. If something comes up, team members are good about trading and I am normally available to cover if no one else can.

Both of our routes are in the Tampa Palms or New Tampa regions (Hillsborough County); take about 90 minutes to complete; and start at the Lutheran Church in Tampa Palms at 1130 AM and end there at about 1 pm.

Anyone who may wish to consider this service opportunity could ride with one of our volunteers to learn the procedures and see if this would be something they would like to do. In order to become a volunteer, one must undergo a free background check with Meals on Wheels and attend an orientation session which typically lasts 60 to 90 minutes. They also must ride with either myself or one of our other volunteers before doing their own route.

Please contact Dennis Loomis, DennisLoomis1951@gmail.com, if you would like to volunteer.
