Weekly Song - On Top of Spaghetti

On top of spaghetti all covered with cheese
I lost my poor meatball when somebody sneezed
It rolled off the table, it rolled on the floor
And then my poor meatball rolled out of the door
It rolled in the garden and under a bush
And then my poor meatball was nothing but mush.
The mush was as tasty as tasty could be,
And early next summer it grew to a tree.
The tree was all covered with beautiful moss
It grew great big meatballs and tomato sauce.
So if you eat spaghetti all covered with cheese,
Hold on to your meatball and don't ever sneeze.

For a little history of this classic tune, read on... From Wikipedia, the free encyclopedia

"On Top of Spaghetti" is a ballad and children's song with the best-known performance by folk singer Tom Glazer with the Do-Re-Mi Children's Chorus in 1963. The song is sung to the tune of "On Top of Old Smoky". It is the tale of a meatball that was lost when "somebody sneezed". The song discusses what happened to the meatball after it fell off of a pile of spaghetti and rolled away.

In 1961, to the same tune, Dick Biondi, The 9-Midnight DJ on WLS Chicago (1960-63), had recorded on IRC "The Pizza Song". In 1962 Sharon and the Lollipops recorded "On Top of Spaghetti" with a lyric credit to Sharon Ruth. It was released in June 1962 and reviewed by Billboard in its Limited Sales Potential column in June 23 of that year. A version in Swedish was released in 1962 by Snopporna.

Tom Glazer with the Do-Re-Mi Children's Chorus, extended version was released on Kapp in 1963 with a contradictory lyric credit to Tom Glazer, but no publishing references were noted on the release labels. That version reached #14 on the Billboard Hot 100.

President's Message

By Ann C. Wade on Wednesday, August 14, 2019

◆The Great Thing about new friends is that they bring new energy to your soul.◆ (unknown)

As a Grandmother of eight ◆wonderful◆ grandchildren, I have spent the past couple of weeks helping my daughter (who is a teacher) get her six children ready for school. Last week I was able to take all of them to their orientation days and spend special times with each of them, and this week school began! I guess all of you have seen the increased, slow traffic around town!

The beginning of school is a bittersweet time◆letting go of the children as they grow and the sweetness of seeing them ◆test their wings◆ as they face new challenges of mental and physical growth. The best part of a new school year is the chance to meet new friends. It is an exciting time also for us in our Rotary Club as we move into full gear with service projects, fundraisers, and connecting with the world.

The month of August is Membership Month in Rotary. This is a perfect time to bring in new members who will become our new friends, and to share our goals and aspirations for the year. Many folks have just never been invited. Wear your Rotary pin proudly and spread the word!

Tom and I are cruising this week and I will miss all of you. Next Friday our new District Governor Kip Kipnis will be our honored guest. See you then!

Update from Kip Kipnis - District Governor

Imagine

By Darren Kipnis on Sunday, August 11, 2019

Hello Rotarians!

August is Membership & New Club Development Month. As far as I'm concerned, every month should be Membership & New Club Development Month, as we are all members of our respective Club Membership committees.

We are so lucky to be Rotarians and 2019-2020 provides some new and exciting opportunities. We are literally being encouraged to be creative and imaginative in our meeting structure so as to attract, engage, and retain new members. To me it's simple, we can mix it up, and make it any way we

want it.

Imagine a meeting such that you can't wait to attend and to invite your best friends, neighbors, and business associates. Imagine that you have the best kept secret and the ability to share it. Rotary can be that best kept secret. Let's articulate it and share it together.

Let's go for a ride together through my week's travels...

- Monday evening, 8/5 I was off to the Rotary Club of Auburndale board meeting at The Depot in Centennial Park. I learned all about the club's various projects and the history of the area. We ended the evening with a tour of the recently opened Butterfly Garden. I was back the next morning for their club breakfast meeting and had a great time. Thank you President Julia Rasmus, AG Linda Johnson and all my new friends!
- At 11:00am, I'm at a Board meeting with the Rotary Club of Lakeland. The meeting was well attended and interactive. I was honored to speak to the club at noon. Carol Wallace and her whole team made me feel right at home!
- 5:30pm, at Coppertail Brewing Company, I met with the President of the Rotary Club of Tampa, Brad Kelly, & PDG/ Foundation Chair, Tom Wagner, to discuss strategies for using DDF, Global Grants and the like. Very productive. I'll be sharing more about this in the coming weeks and months.
- Wednesday, Kelly & I had dinner at Charlie's with Mustapha Achoubane from Florida Polytechnic to discuss ways to engage Rotaract. Very exciting alliances in our future.
- On Thursday, I drove to Plant City at 3:00pm and met AG Clayton Jenkins and Rotarian Jason Holm to explore ways Jason can get more involved at the District level. He will make a fine leader, and I look forward to working closely with him.
- On Friday, I met with my good friend, Bill Merchant, who is a Senior Director of Development for Easter Seals Tampa, and I got to read a book to the most beautiful little kids I've ever seen. Let me know if you'd like to do it. They're so appreciative and will warm your soul. It's life changing.

Have a great week everyone.

You may say that I'm a dreamer, but I'm not the only one I hope someday you'll join me and the world will be as one.

Best,
