President's Message July 3rd, 2020

Welcome to a new Rotary year. I want to thank Ann Wade and her board for leading us through unusual times and to a great year. With the new year comes a new normal. We've done Zoom meetings and hybrid meetings. With the new normal we have some new rules of engagement. Working with Tampa Palms Golf and Country Club we have agreed to provide an RSVP count for our in person meetings. If we have less than 25 RSVPs by Monday at 5pm there will be no in person meeting at TPGCC. We will have a Zoom only meeting (like this week). Therefore if you plan to attend our meeting in person it is VERY IMPORTANT that you RSVP to Matt Palmer by Monday 5pm prior to the meeting. When we have an in person meeting at TPGCC it will be a hybrid meeting broadcast on Zoom. We do record the Zoom meetings. If you would like to view them send me an email and I will forward the link.

I look forward to seeing you on Zoom Friday. Stay safe.

All the Best,
Walt

Nick Hall, a 72-year-old Rotarian, psychoneuroimmunologist and motivational speaker, kicks off his third cross-country bicycle trip June 3. He is riding solo without a support van. The Seattle to Tampa, FL route takes Hall over 6,000-foot tall mountains.

Why is he doing this? He's helping end polio. He's also been a self-described thrill seeker since childhood. In fact, he'll stop in South Dakota to wrestle an alligator. Again. In the 1960s, Hall wrestled alligators as a summer job in the Black Hills Reptile Garden in Rapid City before pedaling his bicycle to Massachusetts for the fall semester.

Hall completed two other cross-country End Polio Now excursions. The 2015 coast-to-coast ride began in San Diego and ended in St. Augustine, FL. In 2018 Hall rode from Temple Terrace, FL to the Rotary International Convention in Toronto, Canada. Together, the trips raised nearly \$45,000 to end polio. This year, Hall is reaching out to Rotary clubs along the route inviting them to host social distance-friendly cheering sections as he rides by raising awareness and more donations to end polio.

The Rotary Foundation, The Bill and Melinda Gates Foundation, and several governmental and non-governmental agencies have eradicated in all but a few countries. The virus persists in remote Asia and Africa. In 2019, one case was diagnosed in Europe. Hall believes ending polio is within reach for all humankind. He vividly remembers polio epidemics of his youth when public pools were closed to prevent spreading the virus.

Nick started the 2020 Seattle-to-Tampa tote board with a personal donation of \$3,216--\$1 for every mile. Everyone can follow Nick's ride using a link to his GPS: <https://maps.findmespot.com/s/25QJ>. Daily updates about the people he meets and sights he sees may be found on Facebook under Pedal Power to End Polio, @PedalPowerEndPolio on Instagram and @PedalPwrFL on Twitter.

Message Nick through Facebook if you'd like to meet him for a leg of the trip. Everyone is welcome to come out for social distance-friendly cheering sections or ride-along as he rides through. Kindly email

PedalPower.EndPolioNow@gmail.com with location, date, how much was raised, and how many people attended. The social media pages will share photos.

Nick Hall's adventure cycling golden rules: be safe, have fun, do what you love, and support what's important.

Contact: Media representatives interested in talking with Nick by Zoom are welcome to call (813) 699-0516.
