WEEKLY NEWS FROM THE ROTARY CLUB OF TAMPA

September 17, 2019

WE WELCOME THIS WEEK'S PRESENTERS:

Lance Kimball, Nathan Marvel, & Dora Zuñiga *Meet Your Newest Fellow Rotarians!*

One of our club's most popular periodic programs is *Meet Your Fellow Rotarians*, a chance for club members to address the club at length and tell their story, whatever it may be. This week, we have a special opportunity to meet the three newest members of our club. Each has been a Rotarian at another club for many years and comes to us with their own Rotary story.

Lance Kimball grew up in south Tampa and attended Jesuit High, University of Florida, and University of South Florida. He owns Appliance Repair Specialists, and currently serves as president of the United Appliance Servers Association. He comes to us from the Rotary Club of Tampa North, where he was a board member.

Nathan Marvel also grew up in Tampa, and is a 4th generation Rotarian, past Rotaract District Governor, and currently serves as the District 6890 communications chairman. He is following in the family footsteps both as a Rotarian and jeweler and is the sales director at Mavilo Wholesalers. He joins us from the Rotary Club of Carrollwood.

Dora Zuñiga is new to the area, coming from the Rotary Club of Madison, WI. She has served Rotary as a club director, foundation president, ethic symposium chair, and on the scholarship committee. Professionally, she focused on non-profit leadership for many years, but now is a licensed agent and owner at US Health Advisors.

Welcome to all our speakers!

Highlights from September 10 Luncheon

The takeaways from this luncheon?

- 1) We all want to go to South Africa (in style like John)
- 2) Baby Nora is the new club mascot
- 3) There are a lot of fantastic events coming up this fall!

John Neukamm shared nearly 200 photos that only scratched the surface of an epic 2 1/2 weeks in South Africa last summer. From close up animal encounters, to connections with locals, to a deep appreciation for the country's struggles with equality, he and Kathy made the most of their time in this amazing country. And of course he has the pictures to match the memories!

To round out the meeting, Rod Gaerlan reminded us of all the fun social events on the club calendar, Mike Colquhoun thanked all of our Gasparilla Bash sponsors to date, and Kim Kenney introduced us to the 16 guests who joined us for lunch!
