No club luncheon this week! Join us for Halloween social instead

Instead of our Tuesday Zoom luncheon this week, see you Rotary friends at our Fall Fellowship event, a Halloween celebration on October 31 from 10-2.

Bring your family and ring in Halloween Saturday with an outdoor club social event at Ballast Point Park in south Tampa. Costumes and masks are encouraged! We will have a magician making his rounds with some surprises, and picnic games plus the dock and playground equal a way for us to gather safely and have fun as a Rotary family.

Rotary Club of Tampa Fall Family Social

Saturday, October 31

10:00 a.m. - 2:00 p.m.

Ballast Point Park, Pavilions 803 & 804

RSVP [here](#) with the number of adults and kids in your party. The club will provide boxed lunches for those who register in advance.

If you have any questions, contact your club social committee co-chairs, Kevin Franzese and Hanisha Patel. See you there!

Club lunches are back on Zoom for November

Since all of our speakers are still requesting Zoom, and we had very light live registration turnout for the November 3 luncheon, club leadership has made the decision to **keep club lunches on Zoom through November**. We will begin our hybrid meetings in December, health conditions permitting. Members who registered for the November 3 lunch will be refunded.

In the meantime, if you are missing the fellowship of our weekly lunches, **consider hosting a few Rotary friends to watch the lunch programs together!** It is a great way to get the in-person contact that many of us are craving, while keeping numbers low for safety.

Another way to get that Rotary fellowship is to become active on one of our many committees! Some to consider are:

[Socials](#) - Another fellowship outlet

[Gasparilla Bash](#) - So much fun for a cause

[Holiday Gift Project](#) - Planning now for November

Flags for Hillsborough's Heroes is here on November 4

ROTARY CLUB OF TAMPA PRESENTS

**FLAGS FOR
HILLSBOROUGH'S
HEROES**

Just after our national election is the perfect time to celebrate our heroes - be they in office, in the classroom, on the front lines, or in the service. **Flags for Hillsborough's Heroes** is not the event we originally envisioned, but in being so encapsulates all of the craziness of 2020. No matter what is happening on the news or in the streets, heroes surround every day, and we should never forget!

Flags for Hillsborough's Heroes 2020 will feature a private opening ceremonies for donors from 11-12 on **November 4 at Veterans Memorial Park** off of US 301.

This celebration will be livestreamed to the

community, so that everyone can enjoy it. We will celebrate our heroes and acknowledge the non profit organizations that will receive grants from the event. After the opening ceremonies, the **flags will be on display from noon to 4 pm**. Honorees and any other interested members of the community can stroll through over 230 flags and share in the inspiration of each of their stories.

Thank you to all the sponsors and event supporters that mean we can grow our impact in the community this year. If you want to sponsor a flag for your hero, you have until October 28. Visit www.flagsforheroes.org to learn more and make it happen!
