Meet your fellow Rotarians on Tuesday

It is one of our most popular and traditional club programs! Three Rotarians from our club have the podium to each tell their personal stories. It is a great way to get to know each other better. Thank you to Jimmy Clark, Monnie Wertz, and Dora Zuniga for sharing the spotlight this week!

[Click here to register for the live luncheon.](#) Remember to specify if you want a vegetarian or regular meal that day.

If you are unvaccinated from Covid-19 or otherwise compromised, please remember to bring a mask or other face covering for fellowship time. If you are unable to attend, please email the club office in case there is a wait list. Thank you!

Or, Join Zoom Meeting to catch it on screen!

Be the first to own a Rotary license plate!

A new specialty Florida license plate featuring the iconic Rotary symbol is now available to members of Rotary Clubs as well as their families, friends and supporters with proceeds from their sale helping fund youth programs across eight Rotary Districts. One we pre-sell 3,000 tags, production will begin!

The new Florida Rotary license plate features the Rotary icon over a blue background and a series of multi-color waves at the bottom all symbolizing the water that surrounds the state and the diversity of our residents. The new license plate was signed into law in mid 2020, completing a multi-year effort by Rotary Florida District leaders who worked together to achieve this result. Leaders of Camp Florida, a Rotary-focused campground for children with disabilities, proposed the idea of having a Rotary Florida tag and worked on it from start to finish.

Pre-sales of the Rotary specialty plate are at www.FloridaRotaryTag.com. Be one of the first 3,000 proud Rotarians to order your plate. Order yours today For more information, contact [DGN Debbie Meegan](#).
