Hillsborough County Recycling and the new Ecology Rotary Club

"Supporting the environment" is the newest of Rotary International's 7 Areas of Focus. That makes now the perfect time for our district to include an ecology-based club. That is the goal of the Brandon South E-Club. They continue this mission on Tuesday when their President-Elect, Mike Meegan, joins us to introduce Daniel Gallagher. Daniel is the Recycling & Waste Reduction Specialist for Hillsborough County. He will share the environmental impacts of recycling and clear up confusion on how best to recycle from home and work.

[Click here to register for the live luncheon.](#) Remember to specify if you want a vegetarian or regular meal that day.

Please remember to bring a mask or other face covering for fellowship time. If you are unable to attend, please email the club office in case there is a wait list. Thank you!

Or, Join Zoom Meeting to catch it on screen!

Spring gala was a celebration of club fellowship

Casa Santo Stefano was the setting for a spring gala filled with love and friendship, as the Rotary Club of Tampa gathered to close out our club year and look ahead to a new year filled with opportunity. The club's social committee orchestrated a perfect evening, and the weather, food, cocktails, and fashions were on point. Members and guests dined and danced into the evening on the rooftop as the sun was setting. You can see all the

photos from the event at these two Dropbox links, and many are also on view on the club's Facebook page.

Flags for Hillsborough's Heroes is November 11-13

The Flags for Hillsborough's Heroes planning committee held its first meeting on June 2, and plans are well underway for a successful and inspiring event. We are continuing our close partnership with Hillsborough County government and local law enforcement. The three day celebration will kick off on Veteran's Day, with the field of flags on view through Saturday. Like last year, each flag is individually sponsored in honor of a personal hero, and all proceeds benefit local causes and projects that serve children

and families right here in Tampa.

Stay tuned for a chance to honor your heroes. If you are interested in event sponsorship or in serving on the committee, [please contact event chairman Kevin Beckner](#). Thank you!

Honored to support these teachers!

The professionals with ChildFind are some of the unsung heroes of early childhood education. Their role is to uncover special needs preschoolers and match them with the schools and services that give them the best chance for academic success. However, with no school to call home, they don't get the love that a school PTA can provide. That is why the Rotary Club of Tampa stepped in to host their end of year celebration last week. Our club past president Jimmy Clark was on hand to represent the club and send our gratitude for a successful year. We will welcome their leader at our June 15 luncheon and will be able to hear first hand about their work.
