

The Four Way Test
 Of the things we think, say or do
 first... Is it the TRUTH?
 second... Is it FAIR to all concerned?
 third... Will it build GOOD WILL and
 BETTER FRIENDSHIPS?
 fourth... Will it be BENEFICIAL to all
 concerned?

This Week: Paul Grove

With more than 36 years in media, including a decade in commercial news at NBC, ABC, and The Discovery Channel then finding his passion for public media, Paul Grove, a fellow Rotarian, is joining us today.

Paul returned as President and CEO to WEDU PBS last June, following 13 years as CEO of Chattanooga's PBS station. In addition, Paul became the youngest chair of the Tennessee Public Television Council, where he led the statewide launch of public television initiative of Tennessee PBS LearningMedia. A free distancing learning service that offers classroom-ready digital resources tied to state and national standards pioneered nearly two decades ago.

This led to *At-Home Learning* with an updated on-air schedule of educational programming segmented by grade level, and having a robust collection of online educational resources. This has been critical to the success of distance learning today as the coronavirus forced distance learning.

Under Paul's leadership WEDU is currently working toward a number of ambitious projects and initiatives, with an emphasis on education of public safety, including a statewide emergency messaging network.

Grove is also focusing on WEDU resources and cutting edge technology managing WEDU's six digital streams and creating hyperlocal storytelling, a concept that utilized digital short films online and on air with interactive components.

Graduating from University of Florida in Broadcast Journalism and Telecommunications, Paul is an avid sports fan and is looking forward to a new year with Tom Brady leading the Tampa Bay Buccaneers.

Paul is married to his lovely wife Michelle and they are the proud parents of four sons.

"And the Rotary Club of the Year is..."

Dear Tampa North Rotarians,
 It was my pleasure to serve you as your district governor last year. I was privileged to see so many of the wonderful things we are doing all over the world as well as right here at home. I was moved by the breadth of service in our district and was so impressed by some of the Rotary stars we have right here in District 6890.

The 2019-20 Rotary Year will forever be remembered as "that year," the year the coronavirus pandemic swept across the world and suddenly changed us forever. But in spite of this huge setback, our Rotary clubs just kept on doing good. When it seemed the whole world was frozen in time, our Rotary clubs found new ways to get the job done and continued to provide help and assistance in their communities and in some cases, around the world.

In our district we have some stars, Rotarians who stand out in the crowd and we want to take an evening to recognize and thank them.

I, along with current DG Mark Scolnick would like to invite you to attend our 2019-20 District Award Ceremony, Tuesday, September 22, 2019 at 6:00 p.m., via Zoom.

Come find out which Rotary club gets to claim the trophy (& bragging rights) for the 2019-20 Rotary Club of the Year!

Please join us via Zoom on Tuesday September 22nd at 6:00 p.m.!

Best,

Rotary Club of Tampa North

Infinite Possibilities

Past Rotary International Vice President Dean Rohrs is joining us September 25th as our featured guest speaker for INFINITE POSSIBILITIES: Women in Rotary!

Dean, originally from South Africa, is absolutely one of the most dynamic speakers you'll ever hear and her "life goal" and "Rotary walk" have proven an amazing journey. I thought I knew this lady, but the more I learn, the more amazement, respect and sheer awe I feel for her as a woman, business professional and Rotary leader! Talk about impressive, you will end the Session excited, motivated and inspired.

Register NOW for Infinite Possibilities—Past RI Vice President Dean Rohrs, 1:00 p.m. EDT September 25, 2020.

Our Four-Part Membership Series offers you the unique opportunity to hear from some of the most dynamic speakers in Rotary. The topics focus on Rotary history, celebrations, challenges, vision, encouragement, enthusiasm and motivation to grow your membership!

We will offer a second Four-Part Series—INFINITE POSSIBILITIES: Diversity Equity Inclusion—beginning January, 2021, so stay tuned for more exciting news to come your way! We look forward to seeing you there!

Thank you from The Rotary Foundation!

Dear Rotarians,

Thanks to you, Rotary members have been making a difference at a time when communities need our help more than ever. We know that donors like you are people of action, and your support is changing lives where it's needed most.

Together we've funded thousands of projects around the world. We've provided resources for local COVID-19 health and recovery efforts in addition to other initiatives to prevent disease, and of course, our continued fight to end polio.

Together, we've empowered others by funding sustainable solutions in communities that need clean water, hope for peace, basic education, quality care for mothers and children, or economic opportunity. No matter how large a problem may seem, thanks to you, we can work toward solutions and opportunities for people around the world.

Last Rotary year, we raised more than \$408 million for The Rotary Foundation!

What we accomplish next will be possible because of your generous support.

Thank you for your dedication to Doing Good in the World.

Sincerely,
The Rotary Foundation

Past RI President Luis Vicente Giay Dies

Luis Vicente Giay, a past Rotary International president who helped lead the innovation that transformed The Rotary Foundation's grants system, died on 29 August. He was 82.

Giay served as RI president in 1996-97 and used his term to encourage governors to lead their districts with commitment, responsibility, and dedication. He considered Rotary members to be "the architects of the future."

A Rotary member for nearly six decades, Giay also served in numerous RI positions as well as district governor. Giay had joined Rotary in 1961 and was a member of the Rotary Club of Arrecifes, Buenos Aires, Argentina.

Giay chaired Rotary's Future Vision Committee, which implemented a bold new long-term strategy for the Foundation by reimagining its grants. He described the plan as a "blueprint for focusing," (continued on page 4)

streamlining, modernizing, and promoting our Foundation so that it becomes more efficient, has more impact, and is better known for its achievements."

"Luis was clearly the chief architect of the new Future Vision Plan," said past RI President Ray Klinginsmith. "He was truly a wonderfully talented and committed leader."

Past RI Director Fransisco Creo, who served on the Board during Giay's presidency, says Giay embodied the theme he chose for his year as president, Build the Future With Action and Vision. "Luis led by example and was the ultimate humanitarian, visionary, and icon for Rotary," Creo says.

Giay was a certified public accountant and owned an accounting firm. He was a member of the Professional Council of Economic Sciences in the Federal Capital of Buenos Aires and president of the Public Accountants Association of Bartolome Mitre. Giay was appointed Ambassador Extraordinary and Plenipotentiary of Argentina by the Argentine government. In addition to his role as consultant for the local chamber of commerce, he served as an adviser to the Boy Scouts and assisted a local workshop for people with disabilities.

He and his wife, Past Rotary International Vice President Celia Elena Cruz de Giay, are Rotary Foundation Major Donors and Benefactors and members of the Bequest Society. He received The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Award and the Service Award for a Polio-Free World.

He is survived by Celia, four sons and eight grandchildren.

Basic Education and Literacy

September is Basic Education and Literacy Month. Did you know that more than 775 million people over the age of 15 are illiterate? That's 17% of the world's adult population! Think about that and the impact that has on families and local economies.

That's why Tampa North Rotary donates dictionaries to five schools in our area!
