

NEWSLETTER – July 1, 2020

## Welcome to New Year

When we talk about New Year we think of the first day in January. But, in Rotary, New Year starts on July 1. On this day every club in the Rotary world gets a new president, every district gets a new district governor and Rotary International gets a new president.

## Meet our new president

**Chris Stennett**

Chris is our new president starting from July 1, 2020. As the treasurer of our club, Chris has been very active in streamlining our club finances. He has been one of the main organizers of our Brew fest fund raiser.

He is the Senior Financial Advisor at Saltmarsh Financial Advisors LLC.

Congratulations to Chris. We look forward to a great year ahead under his leadership.

Unlike a normal business organization, Rotary clubs are service organizations made up of people who believe in "Service above self".

A success of a club depends upon the participation of members who recognize and identify needs of the community. This year's Rotary theme underlines the fact that Rotary Provides Opportunities.

Each one of can take that opportunity and fulfil our subliminal desire to do good in the world. When you see an opportunity, bring it to the attention of the club.

Together we can find more opportunities and do more good things. In doing good we can also strengthen our fellowship.

## Join the Team

A successful club has a good team to lead. When our President asks you to be part of the board say "YES". By asking you to join the team he is expressing faith in your leadership ability. Be the leader.

## Just for Fun

A guy walks into Barnes and Noble to buy a book about turtles. After a little walking around with no luck, he decides to ask the girl behind the desk if they have any. "Hardback?" she asks. He doesn't hesitate: "Yeah," he says. "And they bury their eggs in the sand."

\*\*\*

A frog decides to visit a fortune teller to find out if he'll ever find his princess. The fortune teller reads his palm and after a few brief moments of contemplation, begins her reading. "I have good news and I have bad news. Which would you like to hear first?" The frog, anxious for the possibility of true love, chooses the good news first. "You are going to meet the most beautiful girl," the fortune teller says. "She's going to be very interested in you and will know everything there is to know about you. You'll open up to her and give her your heart." Pleased, the frog then cautiously asks for the so-called bad news. To this, the fortune teller replies, "You'll meet her in a Biology class."
